

An aerial map of a street named Buxton Avenue. The street runs horizontally across the top of the image. Below the street, there are two rows of property lots. The top row consists of six lots, with the first lot on the left being significantly larger than the others. The bottom row also consists of six lots. A red rectangle highlights a building located on the right side of the bottom row of lots. The building is a multi-story structure with a flat roof and a chimney. The address number '23' is visible on the building. To the left of the building, the number '21' is also visible. The map is oriented with North at the top.

A diagram showing a cross-section of a building facade. On the left, there is a large black rectangular area representing a window or door. To the right of this area is a grid of 12 squares arranged in 3 rows and 4 columns. The top row of squares is shaded light blue, and the bottom row is shaded light green. The middle row of squares is white. The number '22' is written in the top right corner of the grid.
