Manchester City Council are not satisfied that on 20 June 2024 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 191 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The single storey rear extension as shown on drawings NA2023-002-002 Revision D and NA2023-002-001 Revision D is materially different and does not reflect the extension that has been built on site; therefore the drawings cannot be relied upon. This is evident from the information available to the LPA in the form of case officers site photographs taken on 14 August 2024.
