Re: Fusion Students (Deansgate South Manchester) – Domis Construction Temporary Traffic Regulation Order (TTRO)

Site address: Land at Deansgate South, Manchester, M3 4LB, New Student Accommodation consisting of 29 storeys and including 509 beds and ancillary spaces.

Notice of Domis Construction Temporary Traffic Regulation Order (TTRO)

We are writing to inform you of our application for a Temporary Traffic Regulation Order (TTRO). The application is to close one lane and implement a one-way lane running from Deansgate to Chester Road.

The single lane closure and implementation of one-way running is required to allow Domis Construction safe working access to the site and allow just in time deliveries so during construction large vehicles do not block Deansgate. This TTRO has been discussed with Simon Liversage and Ben Phillips from Manchester City Council in relation to wider city works.

The TTRO, once approved, will be implemented from 17th June 2024 until 06th April 2026.

We understand that this may cause some inconvenience, and we apologise for any disruption this may cause to your daily routine.

If you have any questions or concerns, please feel free to contact us on info@domisconstruction.co.uk
