

10 Space Amazon Eco Cycle Shelter Information Sheet

10 Space Amazon Eco Cycle Shelter

As the popularity of cycling grows, so does the need for functional bike storage. Convenience doesn't have to compromise aesthetic appeal, though. The Amazon Eco Cycle Shelter, beautifully clad in timber, is an environmentally friendly storage solution that's practical and pleasing on the eye.

The 10 Space Amazon Eco Cycle Shelter is ideal for a number of locations, including: Housing developments, Offices, Schools and Universities.

Specification

The 10 Space Amazon Eco Cycle Shelter is supplied as standard with a galvanised frame and sheet metal roof. Polycarbonate and timber roofs are also available, as are other custom options including the addition of:

Security sliding or swing gates

PIR Solar lighting
