Hi Lucy,

Thanks for getting in touch about this, apologies for not making it clear, we need a full aeronautical assessment which must include an assessment of the impact upon Instrument Flight Procedure Surfaces in addition to the previously requested Radar Mitigation Scheme.

Thank you,

Hi [REDACTED]

Further to your email below recommending a condition for a revised aeronautical assessment, including an IFP assessment, please would you advise me whether this would be in addition to or instead of the conditions that you recommended in your original consultation response (see attached)?

Many thanks

Lucy
