1. Secondary glazing proposed to every window on street elevations. See drawing 1995 P(422)
2. Back LED illumination between existing window and fire rated panelling. Frosted or obscured film to be applied to window.
3. New full height window.
4. Escape door to be kept shut unless emergency
5. Pipework 800mm x 150mm
6. Individual extract grills over windows - nom. 200x200mm to suit brick dimensions.
7. Dark film applied to WC side of glass.
8. New fixed Bilco BL-A aluminum fixed vertical ladder. Install to manufacturers recommendations.
9. Skylight refurbished
10. Existing baluster from ground floor relocated to side of existing stair here.
11. Clearstory glazing to new corridor partitions

- Obscured film to be installed to existing windows located within proposed cubicals internally
