**North View (New Park House), North Manchester General Hospital
External Landscape Environment and Urban Realm – Security Strategy
Planning Condition 7.**

Reference: Park House AMHU Crime Impact Statement 2 prepared by WSP Sept 2020 -Table 2
Mitigating Measures

We refer to Table 2 pages 6 and 7 relating to key features for the urban realm only as this is relevant to our landscape design with reference to planning condition 7. We confirm that key elements listed under urban realm have been incorporated into our design.

Please note the ongoing management of the trees and planting to maintain clear sight lines where required will be undertaken by the GMMHT client estate teams.
