Part 1 – Particulars of the application/development

Proposal: Retention of entrance porch and canopy to front elevation and single storey rear extension

Location: 6 Greystone Avenue, Manchester, M21 7RP

Date of application: 11 July 2024

Application number: 140496/FH/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. The application has been submitted retrospectively of works taking place and these are considered to be contrary to the development plan.

Reason(s) for decision

1) The retention of the front canopy extension, associated columns and white render at ground floor to the principal elevation at 6 Greystone Avenue, by virtue of their scale, siting, design and materials used forms an over dominant and intrusive feature to the detriment of visual amenity and the character of the area. The resulting effect would be unduly harmful on the character of the application property and the local street scene. The proposal is therefore contrary to policies SP1 and DM1 of the Manchester's Core Strategy Development Plan Document and saved Unitary Development Plan policy DC1 and the guidance within the National Planning Policy Framework.

2) The retention of the single storey rear extension by reason of the fenestration in the side elevations facing the common boundaries with no. 4 and no.8 Greystone Avenue, would unduly impact upon the privacy of the occupiers of neighbouring property, resulting in loss of amenity of the current and future occupants; contrary to policies DC1 of the Unitary Development Plan for the City of Manchester (1995), and policies SP1 and DM1 of Manchester's Core Strategy (2012).

Date: 2 September 2024

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
