Optional vinyl signage applied to glass - with a transparent background i.e. not solid colour

Optional individual letters mounted externally on a single bar fixed into mortar joints to either side. Or vinyl signage applied to glass (individual letters or logos), or individual letters suspended from the ceiling internally. Alternatively a slim box could be mounted in place of individual letters. Again, this needs to be side fixed into existing joints.

Wall mounted slim projecting sign

Wall mounted slim projecting sign

Individual letters mounted to existing fascia. Location shown as per Huddersfield BS signage from 1950s.

Optional vinyl signage applied to glass (individual letters or logos), or individual letters suspended from the ceiling internally.
