First Schedule

Enlargement of dwellinghouse with a rear dormer

Second Schedule

16 Clarendon Road West
Manchester
M21 0RW

Manchester City Council are not satisfied that on 8 May 2024 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The proposed dormer is shown on drawing PD01 Revision B, to include a window which would not have a similar visual appearance to any other window in the existing dwellinghouse; the fenestration is substantially different in terms of overall shape and size to any other.

Accordingly, the proposed dormer would not constitute permitted development as it would not meet the requirements of Part 1, Schedule 2, Class B.2(a) of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) as the overall size and shape of the window to be installed on the rear face of the dormer, would not be similar in design to the windows used in the construction of the exterior of the existing dwelling.
