Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

5 (h) - This condition should be removed on the basis that additional way finding measures are not necessary when taking into account the size of the site and its ongoing successful operation. It is felt that such additional measures would create unnecessary visual clutter within the public realm. 5 (i) - The condition should be removed on the basis that detailed ground works have demonstrated that it is not possible for street trees to be successfully accommodated within the pavements on Whitworth Street and Chorlton Street. A financial contribution towards the off-site provision of street trees shall be made in lieu of on-site provision of the 3 trees shown in the approved plans.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
