Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: These towers were not in the plan presented at the point of purchasing an apartment in Deansgate square. The blocking of light on our only green space is incredibly detrimental. There are also numerous inaccuracies within the reports like how big the proposed towers are going to be. It is breaching ALL THREE of the key pillars published in the Great Jackson Street Development Framework published by Deloitte.
