Part 1 – Particulars of the application/development

Proposal: Discharge of Conditions 6 (Landscaping), 7 (Biodiversity), 9 (Invasive Species), 14 (drainage), 15 (management of drainage), 18 (sustainability) and 22 (Construction Management Plan) attached to planning permission 137919/FO/2023.

Location: The Enterprise Centre, 34 Benchill Road, Manchester, M22 8LF

Date of application: 29 April 2024

Application number: CDN/24/0341

Part 2 – Particulars of decision (a)

Manchester City Council gives notice that the following detail(s) referred to in Part 1 are **approved** in accordance with the information set out below.

Condition 6 (Landscaping)

Condition 6 (Landscaping) - The submitted information is considered acceptable. Therefore, on the proviso the development is implemented in accordance with this information, the condition is considered discharged.

Condition 7 (Biodiversity)

Condition 7 (Biodiversity) - The submitted information is considered acceptable. Therefore, on the proviso the development is implemented in accordance with this information, the condition is considered discharged.

Condition 9 (Invasive Species)

Condition 9 (Invasive Species) - The submitted information is considered acceptable. Therefore, on the proviso the development is implemented in accordance with this information, the condition is considered discharged.

Condition 19 (Sustainability)

Condition 19 (Sustainability) - The submitted information is considered sufficient to discharge the first element of this condition.

It should be noted that to fully discharge the condition, the verification statement referred to in condition 18 will need to be submitted and approved in writing by the City Council as Local Planning Authority.

Condition 22 (Construction Management Plan)

Condition 22 (Construction Management Plan) - The submitted information received on 14 May 2024 is considered acceptable. Therefore, on the proviso the development is implemented in accordance with this information, the condition is considered discharged.

Part 2 – Particulars of decision (b)

Manchester City Council gives notice that the following detail(s) referred to in Part 1 are **refused** in accordance with the information set out below.

Condition 14 (drainage)

Condition 14 (drainage) - The submitted information is insufficient to discharge this condition. The following information will need to be submitted in order to discharge this condition.

"Assessment of overland flow routes for extreme events..." - Provide a plan indicating surface water overland flow routes for extreme events to ensure flows are diverted away from existing and proposed buildings (including basements).

"Where surface water is connected to the public sewer..." - Provide evidence of UU agreement in principle. An email of acceptance of proposed flows and/or new connection will suffice.

"Construction details of flow control and SuDS elements..." - The developer must provide construction details for all SuDS components. The attenuation tank is situated directly beneath the permeable paving, the developer must provide a section through both components:

Provide site specific tank details and sectional view.

Flow Control details refers to "Rothley Avenue". Please provide the correct site-specific flow control details.

Condition 15 (management of drainage)

Condition 15 (management of drainage) - The submitted information is insufficient to discharge this condition. The City Council is unable to consider discharging condition 15 until the drainage scheme has been constructed in accordance with approved documents under condition 14. The developer will need to submit all the photographic evidence, as-built, and maintenance schedules in accordance with condition 15.

Date: 11 July 2024

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This decision relates only to that required under the Town and Country Planning Act 1990 (as amended) or Planning (Listed Building & Conservation Area) Act 1990 (as amended) does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 or sections 20 and 21 of the Planning (Listed Building & Conservation Area) Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-inspectorate. The Inspectorate will publish details of your appeal on the internet.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
