Location: 302 Platt Lane, Manchester, M14 7BZ

Date of application: 3 April 2024

Part 2 – Particulars of decision (a)

Manchester City Council gives notice that the following detail(s) referred to in Part 1 are **approved** in accordance with the information set out below.

Condition 4b (Acoustic Insulation)
The internal noise insulation is adequate. Condition 4 b) can therefore be discharged.

Part 2 – Particulars of decision (b)

Manchester City Council gives notice that the following detail(s) referred to in Part 1 are **refused** in accordance with the information set out below.

Condition 5b(external plant and equipmen
The submitted information is insufficient and condition 5 b cannot be discharged.

Be advised - The extraction scheme fitted is not the same as the one approved in figure 3 of the Braiden acoustics report no 11065revA dated 4 September 2023 relied on for the approval of Condition 5a) under condition discahrge reference CDN/23/0603. As such the installed scheme does not comply with that conditon discharge approval. In addition The noise from the extract grille was measured as 73dB, and a calculation was undertaken to see what the noise level would be at the nearest noise sensitive receptor. No explanation is given as to why a reading was not taken at the NSR or as close to the

NSR as possible. It is not considered reasonable that a reduction of almost 40dB can be made within 8 meters , particularly considering the amount of reflective surfaces in the alleyway.

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
