Dear Mike,

Re: North View, Adult Mental Health Unit, Crumpsall, Greater Manchester, North Manchester – Security Statement

Regarding the Crime Impact Statement prepared by WSP on the 30th September 2020, we can confirm that all the suggested security mitigation measures detailed in the report have been incorporated into the scheme to the best of our knowledge. It is worth noting that due to the nature of the facility, we have often gone over and above the recommendations.

Please note all non-architectural items should be confirmed separately by each respective consultant or specialist sub-contractor.

Yours Sincerley
