

All dimensions to be checked on site prior to the commencement of works.

Any drains passing under building to be exposed & encased in 150mm conc.

A line drawing of a two-story house. The house has a gabled roof with a chimney on the right side. The front facade features a large central window on the second floor, flanked by two smaller windows. To the right of the central window is a set of three smaller windows. On the first floor, there is a large set of five windows. The house is shown from a side-on perspective, with a dashed line indicating the back of the house.

A line drawing of a house. The house has a gabled roof with a chimney on the right side. The front facade features a large window on the left, a set of three smaller windows on the right, and a row of six doors at the bottom. The drawing is simple, using black outlines on a white background.
