Departure from Development Plan: No

Environmental Statement: Not required

Description of site/building

This application relates to a site of a former day nursey and probation offices and community centre that were vacant for several years. The site is currently under construction for the development of 72 homes (41 apartments and 31 houses). The site is located in Rusholme Ward, and is broadly rectangular in shape, and covers 0.65 ha. The site is currently bounded by a mix of boundary treatments, including stone walling with copings, brick walls, and high galvanised palisade fencing.

Listed building: Not applicable

Conservation area: Not applicable

Tree Preservation Order: Not applicable

Description of area

The site is bounded by a mix of two and three storey residential properties. To the west of the site is a three-storey residential dwelling currently under construction.

Previously approved scheme

Consent was granted for a residential development (Use Class C3), comprising 72 units, with associated hard and soft landscaping, access and associated works following demolition of existing buildings. The proposal included 72 residential units of accommodation, consisting of a mix of 41 apartments and 31 houses. The block of apartments comprised 37 units, with 4 additional apartments, in the form of two apartments in the unit at each end of the terrace of dwellinghouses facing Laindon Road within the south of the site. The mix of accommodation was in the form of 25, 1 bed and 16 two bedroom apartments, with house types comprising, 15 three bedroom, 15 four bedroom dwellinghouses, and 1 six bed townhouse, therefore providing a range of 1,2,3,4, and 6 bedroom accommodation. The proposed residential development comprised a mix of market housing, an offer of 6 x 1 bed apartments within the scheme as discounted market sale units with disposal on a discounted market sale basis at 80% of market

value, and affordable rent dwellings (through Registered Provider grant funding). The proposed buildings ranged from two and a half storeys up to four storeys in height. The scheme predominantly included the provision of two and a half storey houses across the site, with the proposed apartment building being four storeys in height and located to the north of the application site. The layout plan for the site included two vehicular access points from Laindon Road. One served the apartments and provided access to parking spaces to the rear of one the terraces of houses fronting Laindon Road. The other further south on Laindon Road served the remainder of the proposed development. 100% parking provision was provided for the dwellinghouses – 32 spaces in total, and 18 spaces to serve the proposed apartments (including 2 for disabled users). Amenity space was provided for dwellinghouses through small front gardens and private rear garden areas, and with areas of shared amenity space within the curtilage of the proposed apartment block.

Subsequently, a variation of condition application to vary Condition no. 2 (specified plans) and 12 (waste management strategy) attached to planning permission 135848/FO/2022 to amend House Type 6a (Plot 63), specifically to extend the rear of the property further into the rear garden by 1.45m, to allow for a revised internal layout, which would also involve the introduction of patio doors at ground floor level facing onto the side garden area, was approved In June 2024

Description of development

Consent is sought for a non-material amendment to planning approval 139720/JO/2024 to allow the re-siting of plot no.42 to the back of pavement alongside the access road into the site and the associated re-positioning of plots nos. 43 to 53 by 0.52m northwards of their previously approved siting, with the provision of a widened route alongside the side gable of plot no.53 with an associated grassed strip within the curtilage of plot no.53 running along the southern boundary

There are no other changes proposed to the scheme or the design / layout of the houses. The planning agent has confirmed that the reason for the change is to allow scaffolding to be erected on the southern end of the block for construction and maintenance purposes.

Issues

Policy Context

These include Core Strategy policies SP1 (Spatial Principles); Policy DM1 (Development Management); Policy H1 (Overall Housing Provision); Policy H5 (Central Manchester); Policy H8 (Affordable Housing); Policy T1 (Sustainable Transport); Policy T2 (Accessible areas of opportunity and needs); Policy EC2 (Existing Employment Space); Policy EC8 (Central Manchester); Policy EN1 (Design principles and strategic character areas); Policy EN4 (Reducing CO2 emissions by enabling low and zero carbon development); Policy EN6 (Target framework for CO 2 reductions from low or zero carbon energy supplies); Policy EN 8 (Adaptation to Climate Change); Policy EN9 (Green Infrastructure); Policy EN14 (Flood Risk); Policy EN15 (Biodiversity and Geological Conservation); Policy EN16 (Air Quality); Policy EN18 (Contaminated Land); and Policy EN19 (Waste); Saved UDP policies DC7 (disabled access) , DC18.1(Conservation Areas) and DC26 (noise) ,and the guidance provided within the Places for Everyone Plan , the National Planning Policy Framework ,NPPG, the Guide to Development in Manchester Supplementary Planning Document, Manchester Residential Quality Guidance (2016), Providing for Housing Choice – Supplementary Planning Document and Planning Guidance (2008) , Residential Growth Strategy (2016) , Strategic Housing Land Availability Assessment (2022), Manchester's Great Outdoors – a Green and Blue Infrastructure Strategy

for Manchester (2015), and Manchester Climate Change Framework: 2020-2025 and Manchester Zero Carbon Framework (2020).

Non material change

The proposed amendments have been assessed, and it can be confirmed that the changes are considered to be of a non-material nature and are considered to be acceptable to the City Council as the Local Planning Authority. The revisions to the approved scheme relate to the re-siting of plot no.42 to the back of pavement alongside the access road into the site and the associated re-positioning of plots nos. 43 to 53 by 0.52m northwards of their previously approved siting, with the provision of a widened route alongside the side gable of plot no.53 with an associated grassed strip within the curtilage of plot no.53 running along the southern boundary.

There are no other changes proposed to the scheme or the design / layout of the houses. It is considered that the proposed revisions would not have a detrimental impact in terms of the visual appearance of the proposed residential development, or the visual and residential amenity of the residential properties in proximity to the site.

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Paragraph One

The revisions to the approved scheme relate changes to the re-siting of plot no.42 to the back of pavement alongside the access road into the site and the associated re-positioning of plots nos. 43 to 53 by 0.52m northwards of their previously approved siting, with the provision of a

widened route alongside the side gable of plot no.53 with an associated grassed strip within the curtilage of plot no.53 running along the southern boundary.

It is considered that the proposed revisions would not have a detrimental impact in terms of the visual appearance of the residential development, or the visual and residential amenity of the residential properties in proximity to the site, and that the associated wording of condition nos.2, 11, 23, and 31 to be amended to reference the revised plans.

Paragraph Two

Following an assessment of the details submitted, I can confirm that the proposed amendments are considered to be of a non-material nature and acceptable to the City Council as the Local Planning Authority. The City Council is satisfied that the proposed changes will not result in any significant material alterations to the planning approval.

received 20th June 2024

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

11) a) The development shall be implemented in accordance with the Waste Management Strategy received on 23rd December 2022 Servicing plan ref: A 662 -P- 101 rev.F received 26th April 2024 and Site Plan ref: A 662 -P- 100 rev. AB received 20th June 2024.
The servicing plan shall remain in situ whilst the dwellings and apartments are occupied.

b) Finalised details of the design of the bin stores submitted to and approved by the local planning authority. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details.

Reason - In the interests of amenity and public health, pursuant to policies EN19 and DM1 of the Manchester Core Strategy (2012).

23) a) The landscaping scheme for the development shall be implemented in accordance with Landscape Proposals ref: 6765.03 rev.D and the External Works plan ref: A662-T-101 rev.D received 20th June 2024

b) The approved landscaping scheme and arrangements for management and maintenance shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective in the development, another tree or shrub of the same species and size as that originally planted shall be planted at the same place within the development.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Manchester Core Strategy (2012).

31) a) The wall and railing boundary treatment to the Daisy Bank Road frontage, and the railing above plinth design treatment to the front garden of Block nos . 5,6, 7 and 8, shall be

implemented in accordance with External Works details plan ref: A662-P-920 . Finalised details of the railings shall be submitted approved in writing by the City Council as local planning authority, prior to implementation.

b) Notwithstanding the boundary treatment details annotated on the External works plan ref: A662-T-101 rev.D received 20th June 2024, finalised details of the boundary treatment to rear gardens and the eastern and southern boundary of the site , including finalised location and elevational designs shall be submitted approved in writing by the City Council as local planning authority, prior to implementation.

The approved scheme shall be implemented in full before the dwellings are first occupied and retained as such thereafter.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located in order to comply with Policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012), and the guidance provided within the Guide to Development in Manchester Supplementary Planning Document and Planning Guidance.
