

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies EN1, EN3, SP1 CC9 and DM1 of the Core Strategy, saved policies DC19.1 of the Unitary Development Plan.

3) Notwithstanding the details submitted with the application, prior to the commencement of development the following shall be submitted for approval in writing by the City Council, as Local Planning Authority:

(a) Samples and specifications of all materials to be used in the works to the abutment and detailed drawings to illustrate jointing and fixing details between all component materials.

(b) A quality control management strategy.

The approved materials shall be used in the construction of the development.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy

4) The works shall not in any circumstances commence unless a method statement prepared by a specialist for bats including:

- A programme of bat surveys ahead of each phase of any external works where bats may be affected. The first bat survey shall take place before the development commences.

If it is deemed by the specialist that further surveys are required the following shall also be submitted to and approved in writing before the development hereby approved commences:

- A toolbox talk to the contractor.
- Details of procedures should a bat be found.

The above information shall be submitted to and agreed in writing by the City Council as local planning authority before the development hereby approved commences. The approved documents shall be complied with for the duration of the works.

Reason - To ensure wildlife habitats are not adversely affected and to be consistent with policies EN15 and DM1 of the Manchester Core Strategy.

5) a) Before the development commences a scheme for the storage and disposal of refuse shall be submitted to and approved in writing by the City Council as local planning authority. New developments shall have refuse storage space for segregated waste collection and recycling. Internal and external storage areas are required.

b) The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health, in order to ensure that adequate provision is made within the development for the storage and recycling of waste in accordance with policies DM1 and EN19 of the Core Strategy for the City of Manchester.

6) a) Prior to the first use of the development hereby approved, a scheme to acoustically insulate the internal areas of the premises and control the noise levels on the external terrace to limit the breakout of noise shall be submitted for approval in writing by the City Council as Local Planning Authority. The scheme shall be implemented in full before the first use of the premises.

Where entertainment noise is proposed the LAeq (entertainment noise) shall be controlled to 10dB below the LA90 (without entertainment noise) in each octave band at the facade of the nearest noise sensitive location, and internal noise levels at structurally adjoining residential properties in the 63Hz and 125Hz octave frequency bands shall be controlled so as not to exceed (in habitable rooms) 47dB and 41dB, respectively.

b) Upon completion of the development and before the use hereby approved becomes operational, a verification report shall be undertaken to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that above criteria is met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the noise criteria. This report shall be submitted to and approved in writing by the City Council as local planning authority before the use becomes operational along with a timescale that confirms when any necessary changes will be implemented.

Reason - To ensure an acceptable development in the interests of residential amenity, pursuant to policies DM1 and SP1 of the Core Strategy and saved policy DC26 of the Unitary Development Plan.

7) a) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to the installation of the equipment hereby approved the scheme included the above and the locations on the roof shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site.

b) Within 1 month of the equipment hereby approved becoming operational, a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the works conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To safeguard the amenities of the occupiers of nearby accommodation, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy

8) Before first occupation of the development hereby approved a Service Management Strategy detailing delivery and collection proposals and including swept path drawings shall be submitted to and approved in writing by the City Council as local planning authority. The approved Strategy shall be complied with for the duration of the use hereby approved.

Reason - To safeguard the amenities of nearby residents and highway safety, pursuant to policies SP1, EN9, EN14, EN15, EN17, EN19 and DM1 of the Manchester Core Strategy.

9) Full and final detail of all M&E services and drainage, including routes and internal manifestation that complies with the statement within the emails from Caroline Tamworth Planning dated 23 February 2024 shall be submitted to and approved in writing by the City Council as local planning authority prior to any such equipment being installed at the premises. The equipment shall then be installed fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

10) Full and final details of external lighting and any other such installations to the elevations shall be submitted to and approved in writing by the City Council as local planning authority prior to any works to the front elevation and former loading bay of the building. The lighting shall then be installed fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

11) The development shall be carried out in accordance with Crime Impact Statement prepared by Greater Manchester Police referenced 2022/0475/CIS/01 Version A received by the City Council as local planning authority on 6 December 2022 with the exception of the replacement of historic and original windows and doors. The development shall only be carried out and used in accordance with these approved details, which shall be maintained for the duration of the use.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

12) The premises shall not be open outside the following hours unless otherwise agreed in writing by the City Council as local planning authority: -

Mondays to Saturdays - 11.00 to 03.00

Sundays - 11.00 to 01.30

Reason - To ensure an acceptable development in the interests of residential amenity, pursuant to policies DM1 and SP1 of the Core Strategy and saved policy DC26 of the Unitary Development Plan.

13) No loading or unloading shall be carried out on the site outside the hours of:

07:30 to 20:00 - Monday to Saturday,

10:00 to 18:00 - Sunday/Bank Holiday

Reason - In order to protect the amenity of local residents and in accordance with policies SP1 and DM1 of the Core Strategy.

14) Amplified sound or any music shall not be played within the former loading bay at any time.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

15) All street/pavement level windows of the building on Jacksons Row, Lloyd Street and Southmill Street shall be retained as a clear glazed window opening at all times and views into the premises shall not be screened or obscured in any way.

Reason - The clear glazed window(s) is an integral and important element in design of the ground level elevations and are important in maintaining a visually interesting street scene consistent with the use of such areas by members of the public, and so as to be consistent with saved policy DC14 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

16) The access measures for disabled people to gain access into and throughout the premises as shown on the drawings referenced 085-PL-1.00 Rev D, 085-PL-1.01 Rev D and 085-PL-300 Rev C shall be fully implemented before the use hereby approved commences and shall be maintained for the duration of the use hereby approved.

Reason - To ensure that satisfactory disabled access is provided by reference to the provisions of policies CC10, T2, SP1 and DM1 of the Adopted Core Strategy for the City of Manchester.

17) The works to the floor of the loading bay shall be completed in accordance with the email from Caroline Tamworth Planning dated 31 January 2024 prior to the use of this area of the building as an entrance.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the

subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
