Subject: 135454/JO/2022 - Discharge of Condition 22 (Security)

Steve,

Please see attached SDB final report issued by Adrian Murphy. We note condition 22 was partially discharged in 28.05.2024 as per the attached letter "ufm31_Decision_Notice". The attached SBD certificate provides the outstanding information for full discharge of planning condition 22.

Please let us know if this email is acceptable as submission to allow full discharge of condition or if the certificate needs to be formally submitted via the planning portal.

We look forward to your response and receipt of full discharge of planning condition 22.

Kind regards,

Filipa
