

noise assessment 10m

The image shows a residential street scene. On the left is a light-colored house with a window. In the center is a brick wall topped with a black metal fence. To the right is a red brick building with a window and a small light fixture. A red line extends from a window on the left house, across the fence, to the red brick building. Another red line extends from the fence to the red brick building. The sky is blue with some clouds.
