To: Michael Pearson <Michael.Pearson@manchester.gov.uk>

Hi Michael,

I have looked at the revised remediation strategy and I can see changes have been made following the EA comments.

As the issue on this is related to the contamination of controlled waters the EA are the lead authority.

Whilst their proposals look reasonable and sensible to me, I am not a controlled waters expert. So please keep me in the loop with regards to the EA comments.

Kind Regards

Laura
