

BROADWICK

Depot Mayfield
Lift Access to Level 1

PURPOSE

This document has been prepared by Broadwick Venues Limited in support of application 139760/FO/2024 and the provision of lift access to the platform / roof top of (Level 1) of Depot Mayfield

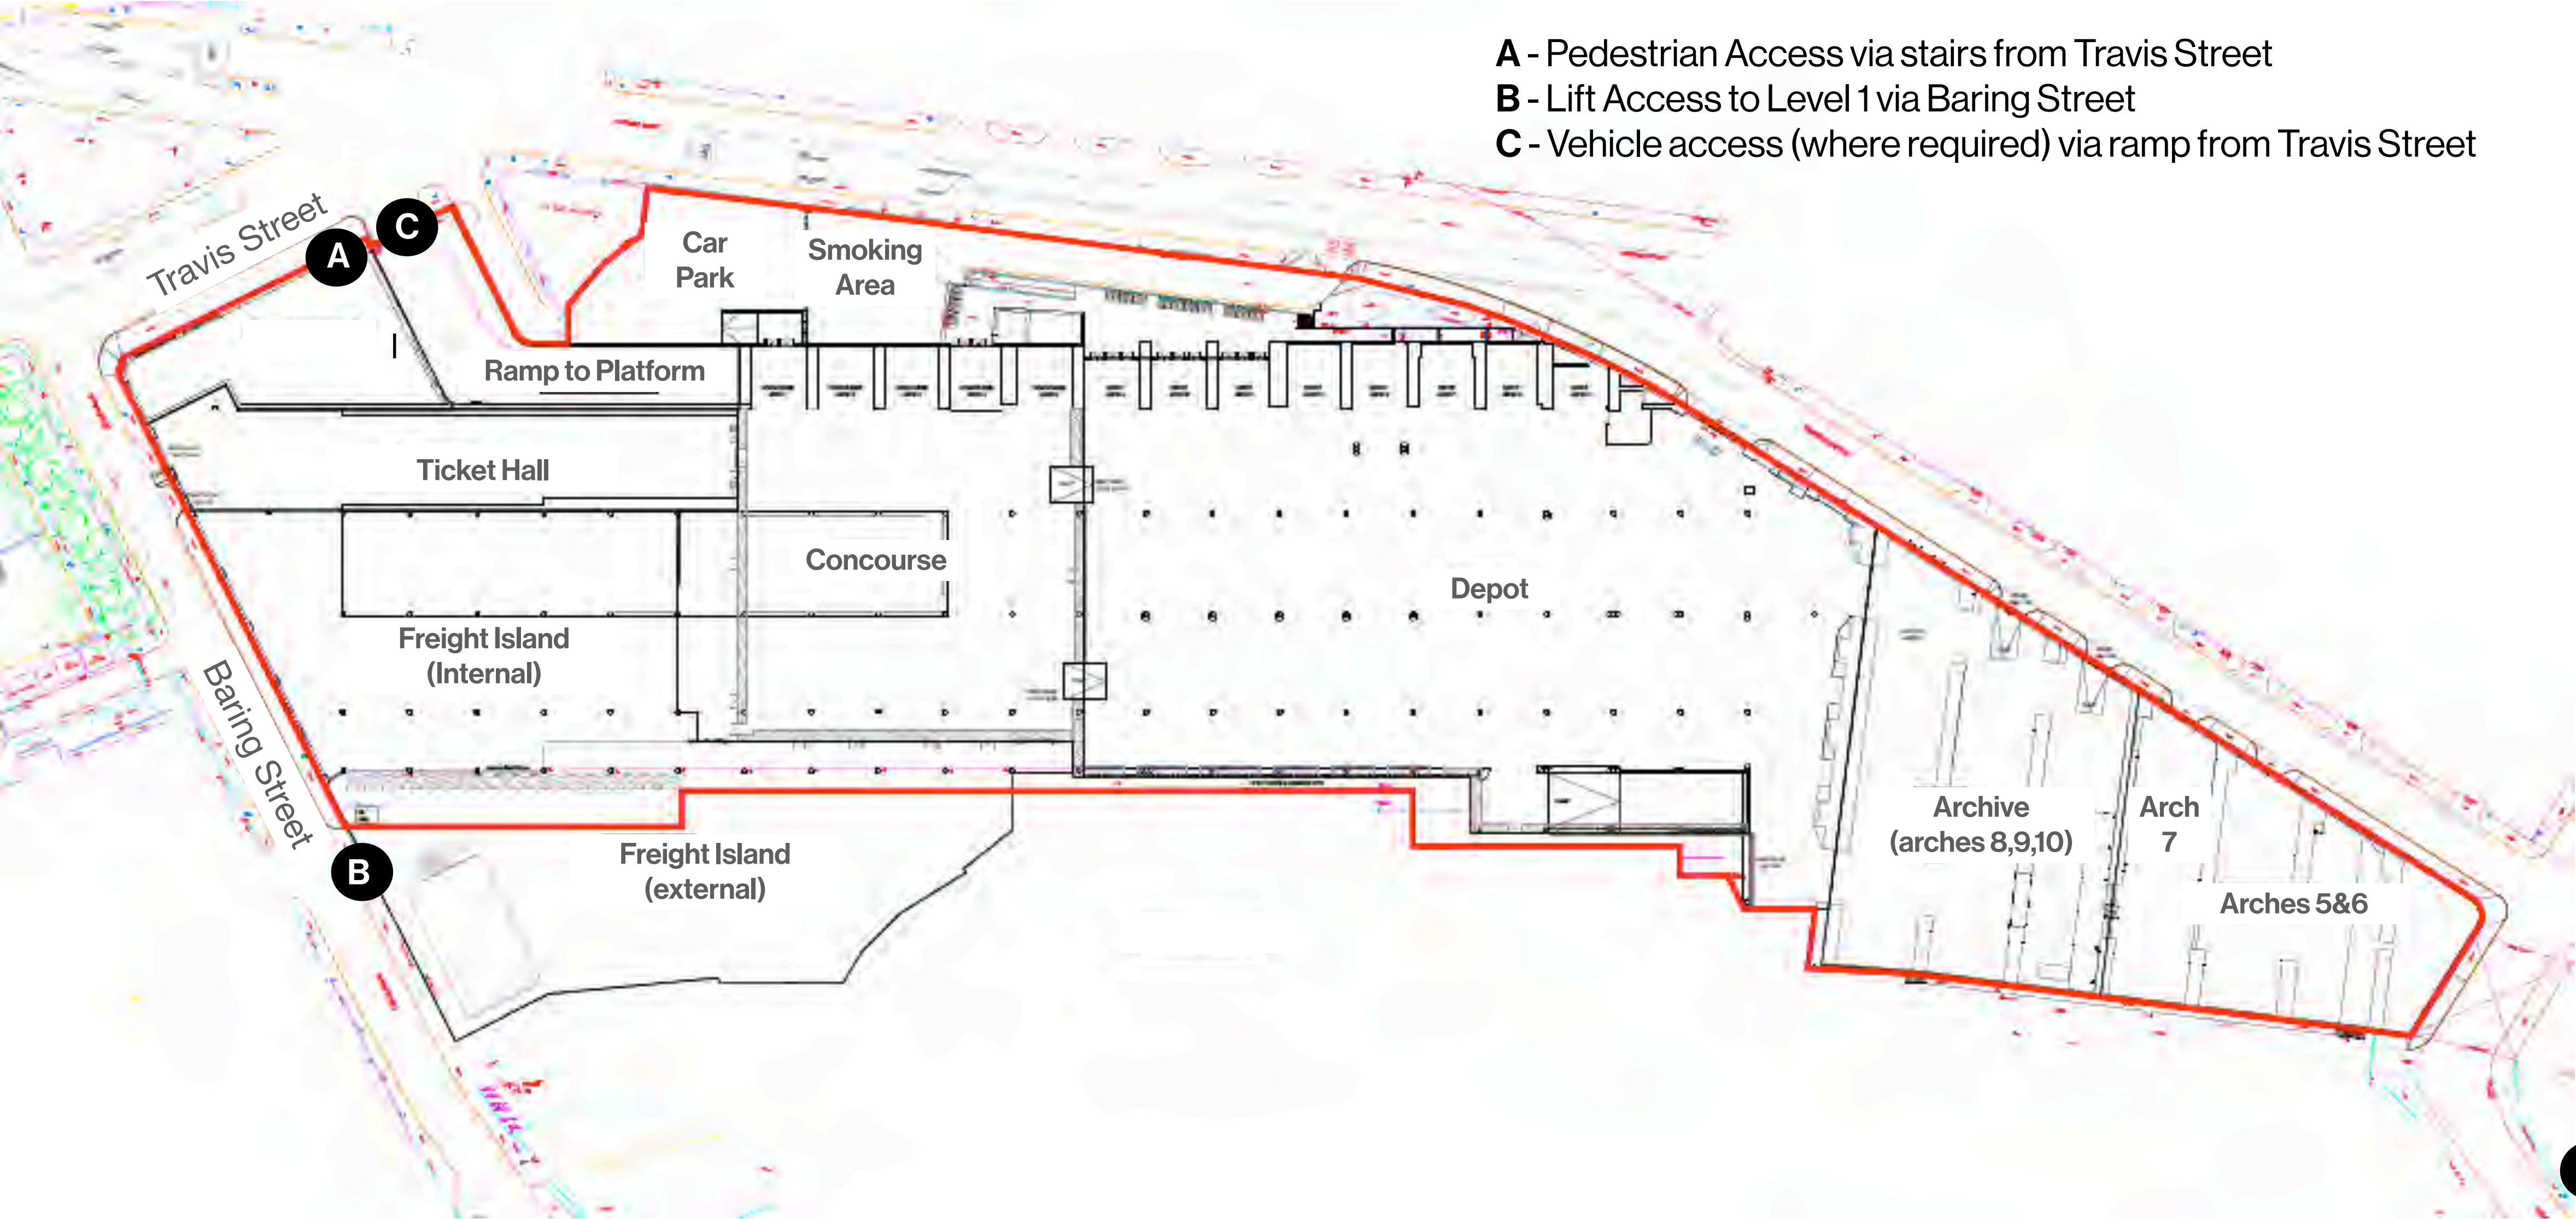

Level 1 Overview

- Area A - Event Space (with marquee structure in situ)
- Area B - Event Space
- Area C - Stair access, offices, toilets and F&B and other ancillary uses.

Level 0 Access Points To Level 1

- A - Pedestrian Access via stairs from Travis Street
- B - Lift Access to Level 1 via Baring Street
- C - Vehicle access (where required) via ramp from Travis Street

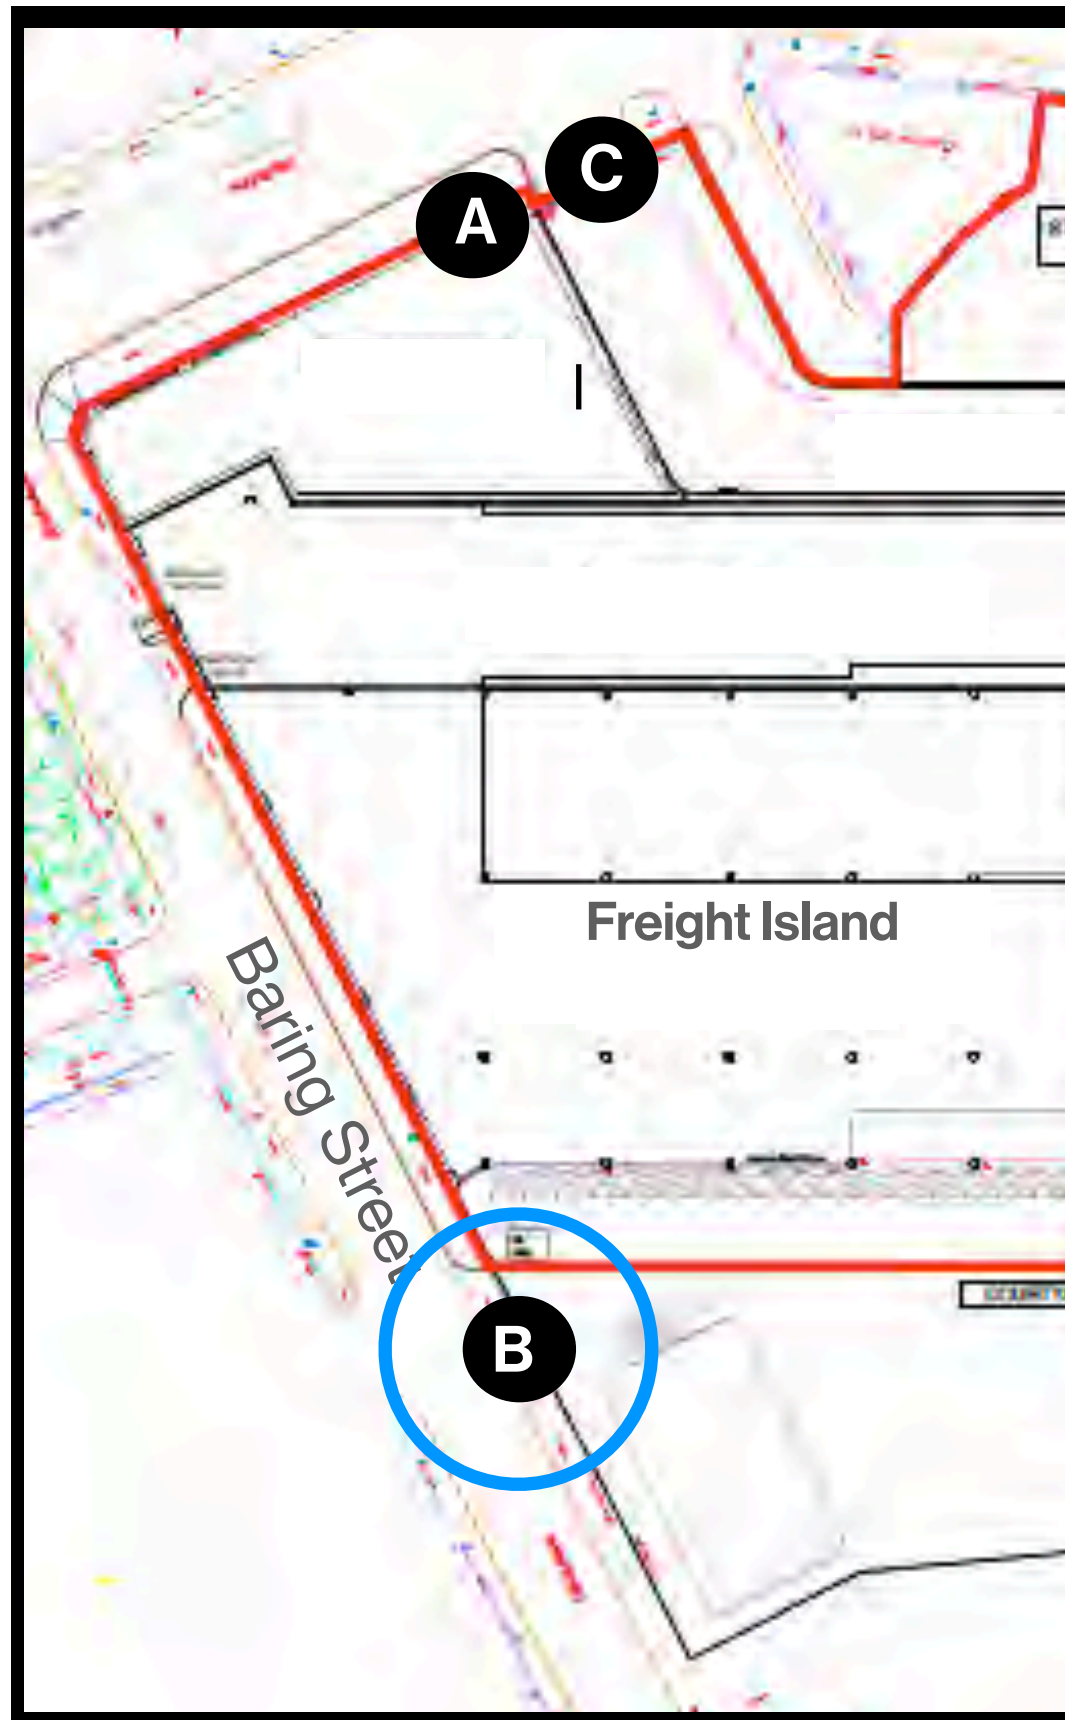

LIFT ACCESS

Lift Access to Level 1

Lift access to Level 1 is via the Mayfield Office (and Freight Island) entrance on Baring Street. Shown as reference B on the plan.

Visitors utilising this access route will be accompanied by a member of the event team throughout.

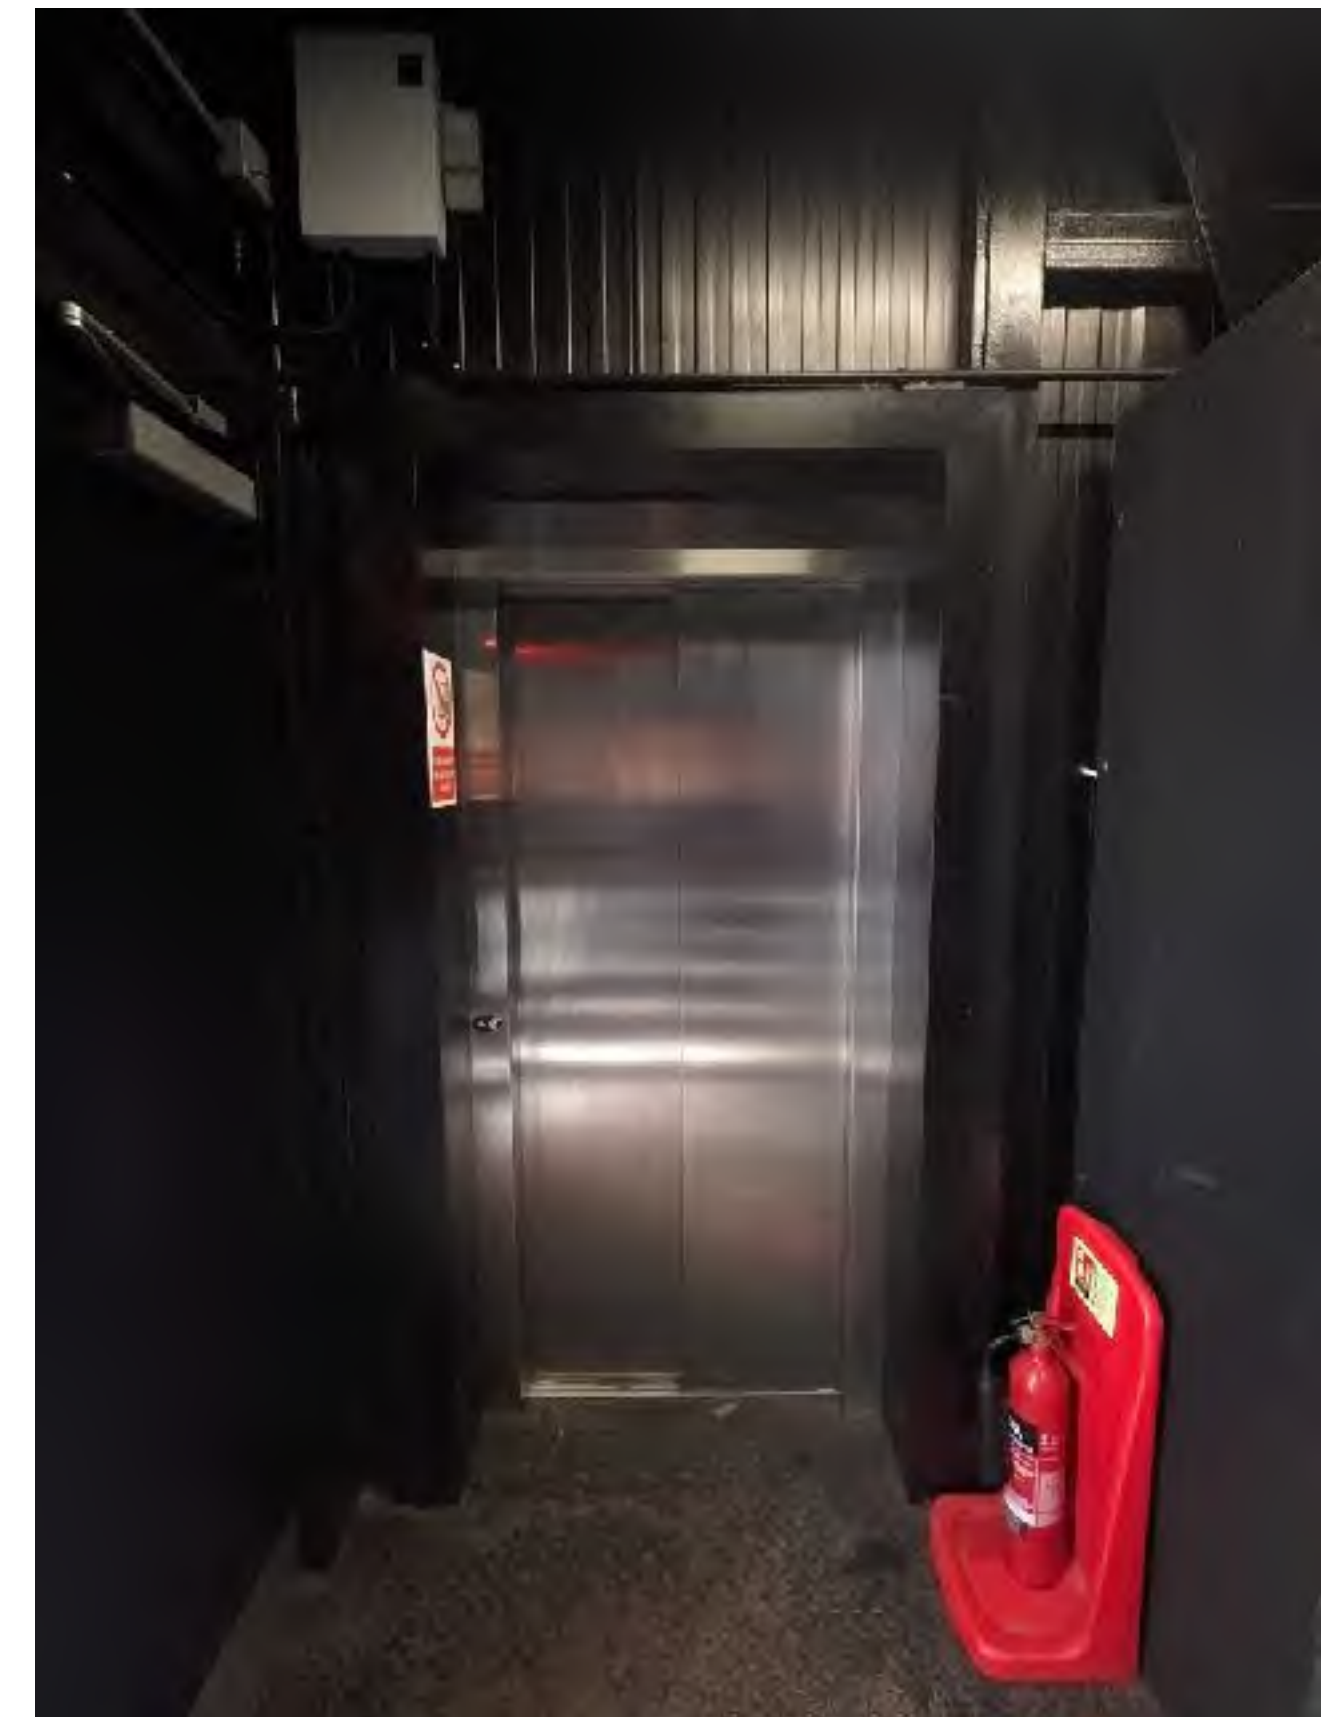

Lift Access - Customer Journey

Access to site is via entrance point B, the entrance to Freight Island and Mayfield Offices

The lift access is just inside the entrance to Freight Island and sits in the base of the Mayfield Office tower and in close proximity to Mayfield security reception.

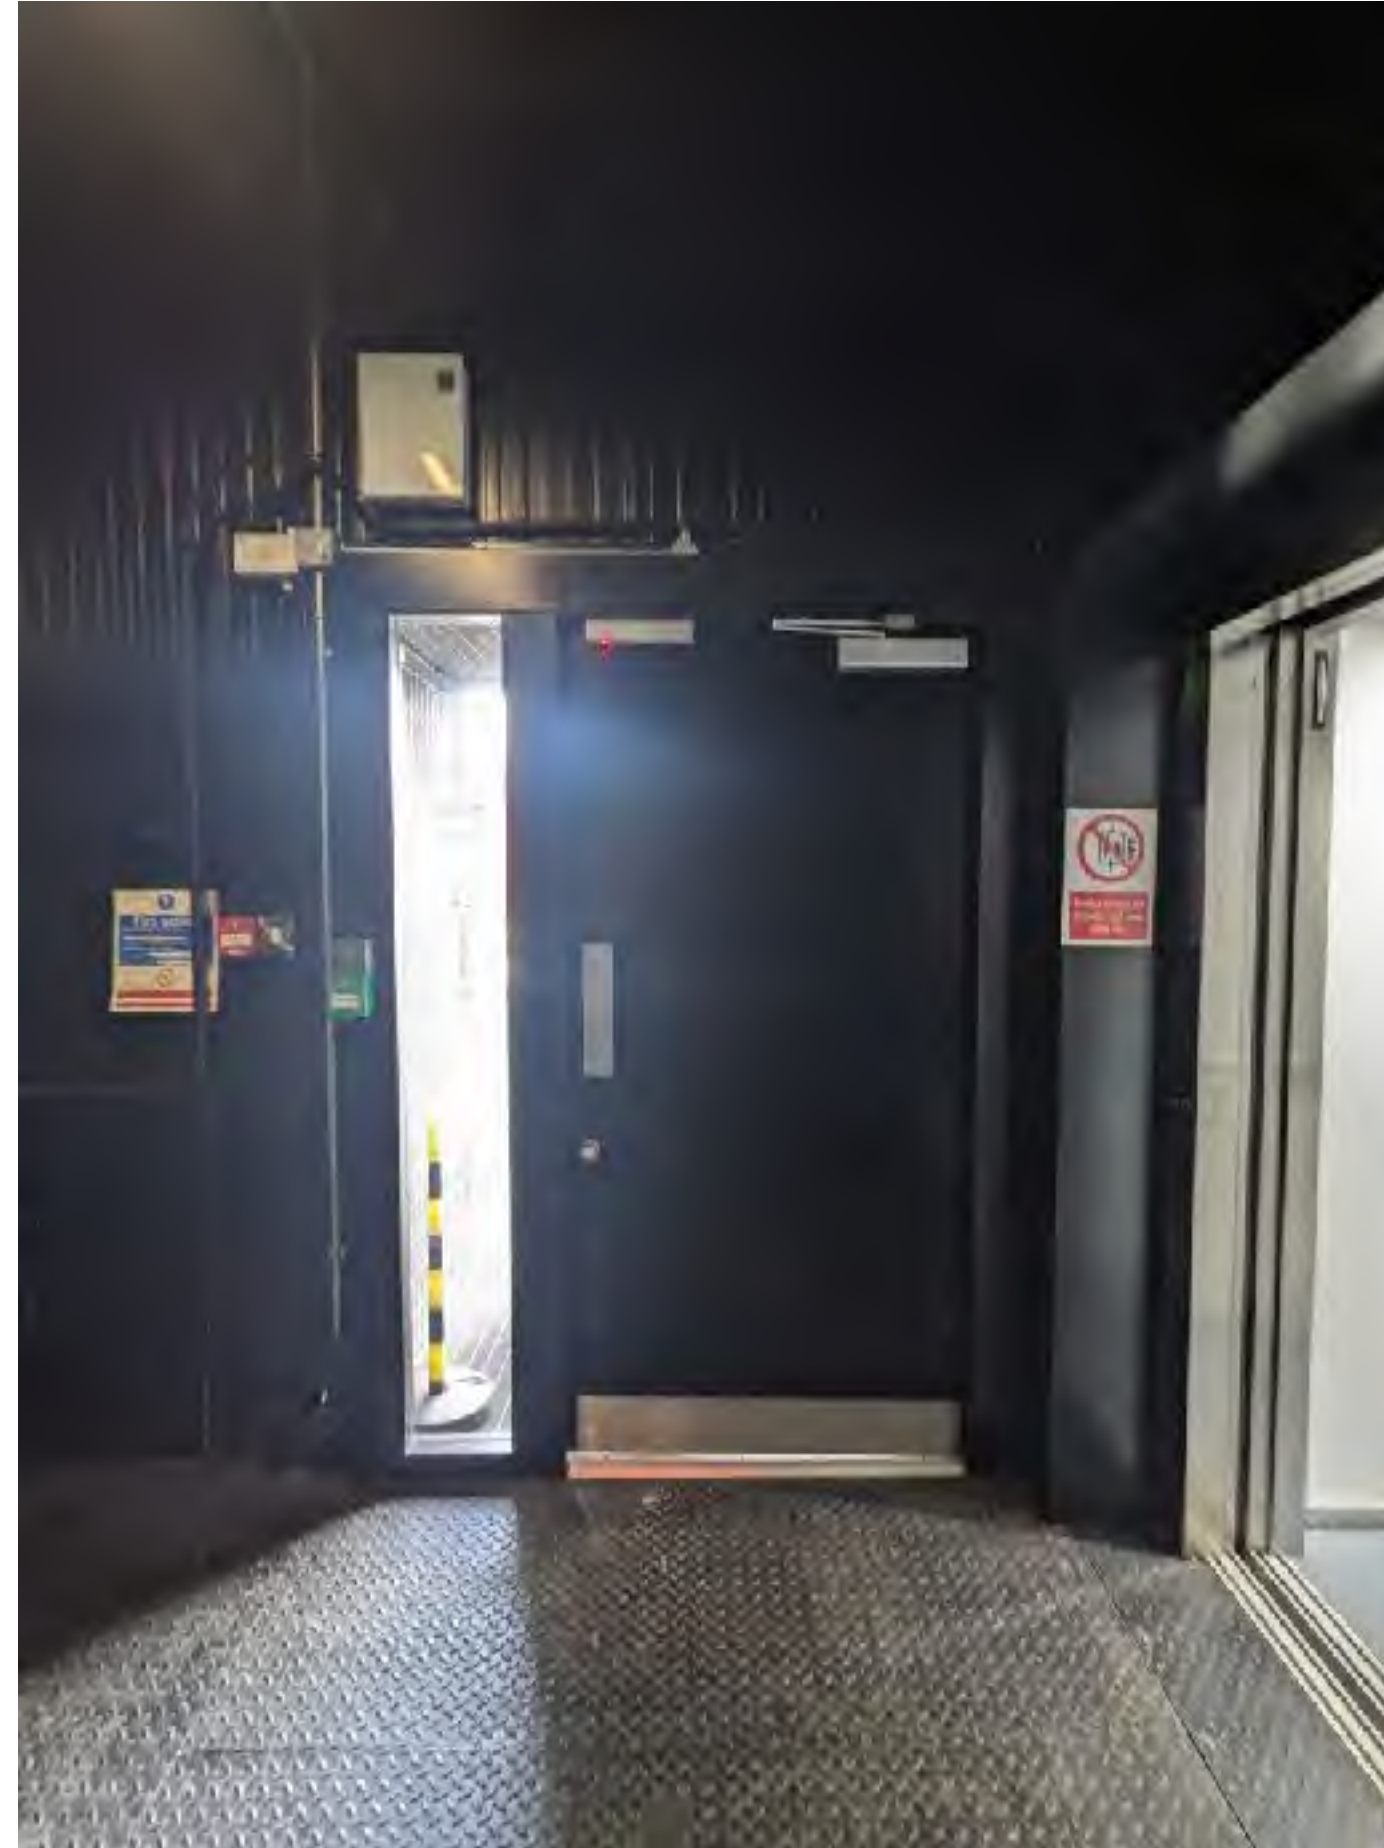

The lift is situated at the bottom of the Mayfield Office tower.

Lift Access - Customer Journey

The lift carries up to 8 people with a total combined weight of 630kg

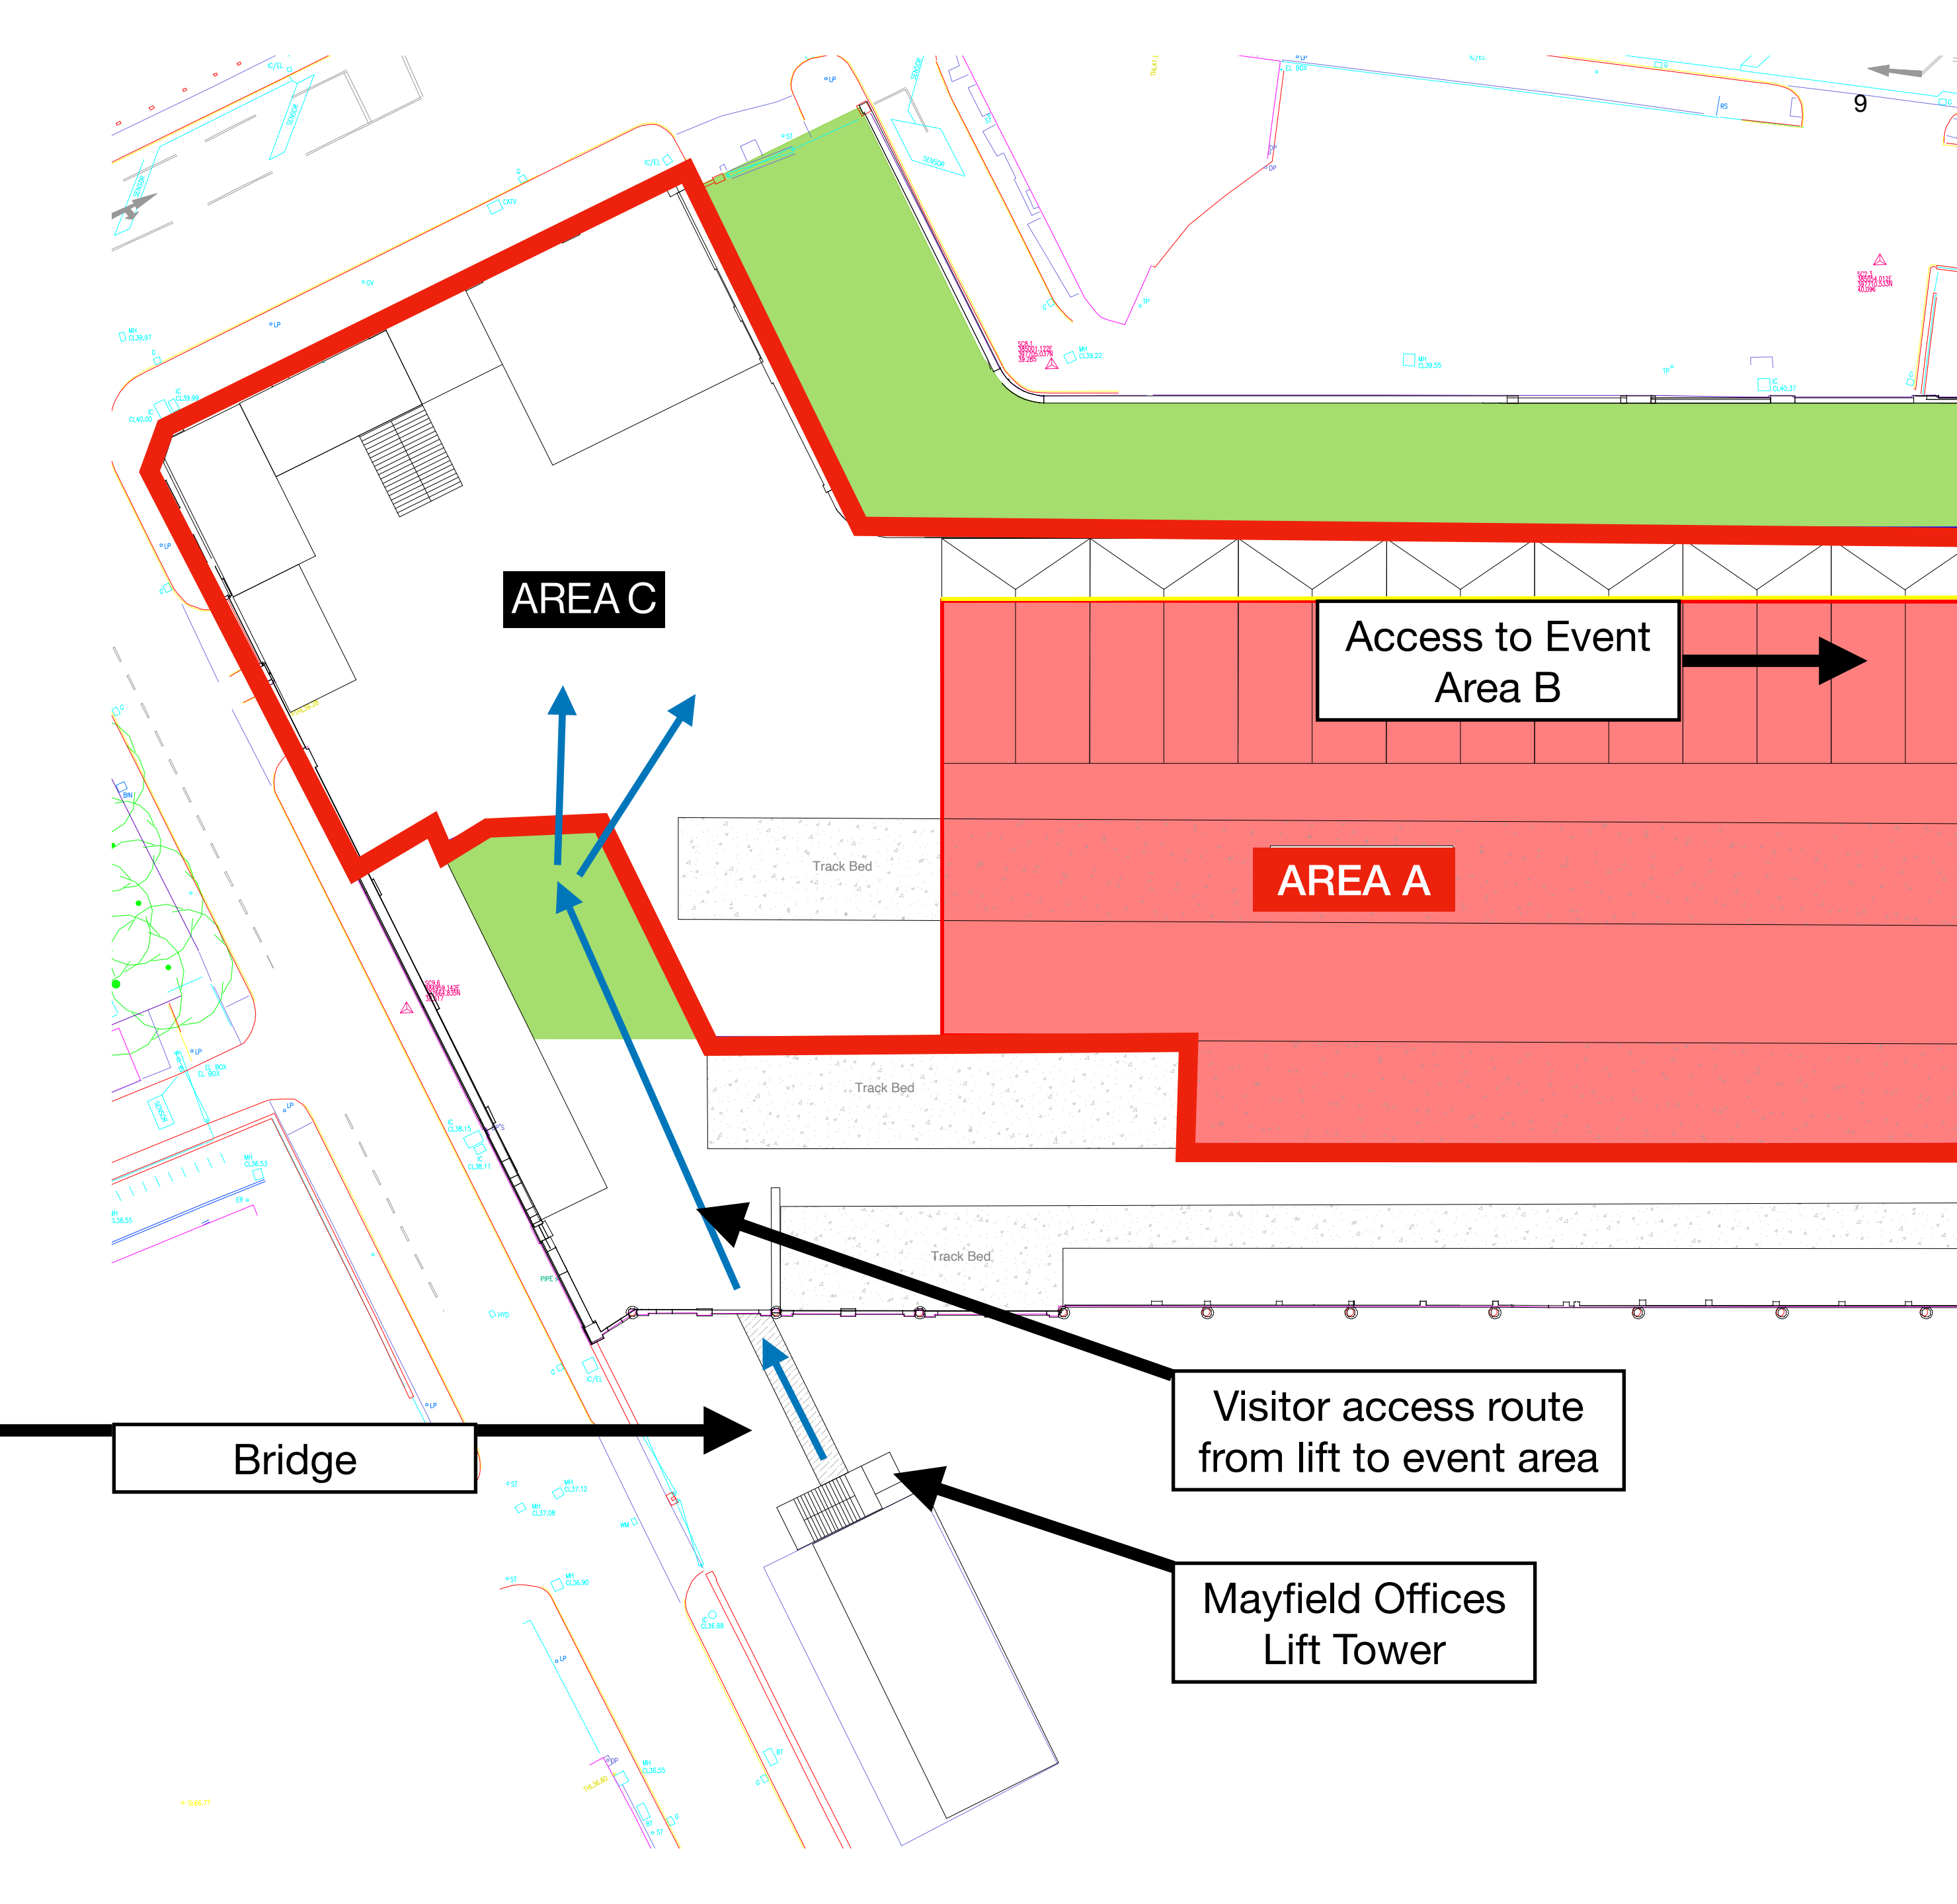

Level 1 landing platform has adequate space for the manoeuvring of accessibility equipment

From the lift tower, roof access is across a metal bridge

Level 1 Access:

After exiting the lift, visitors cross the bridge to the event areas

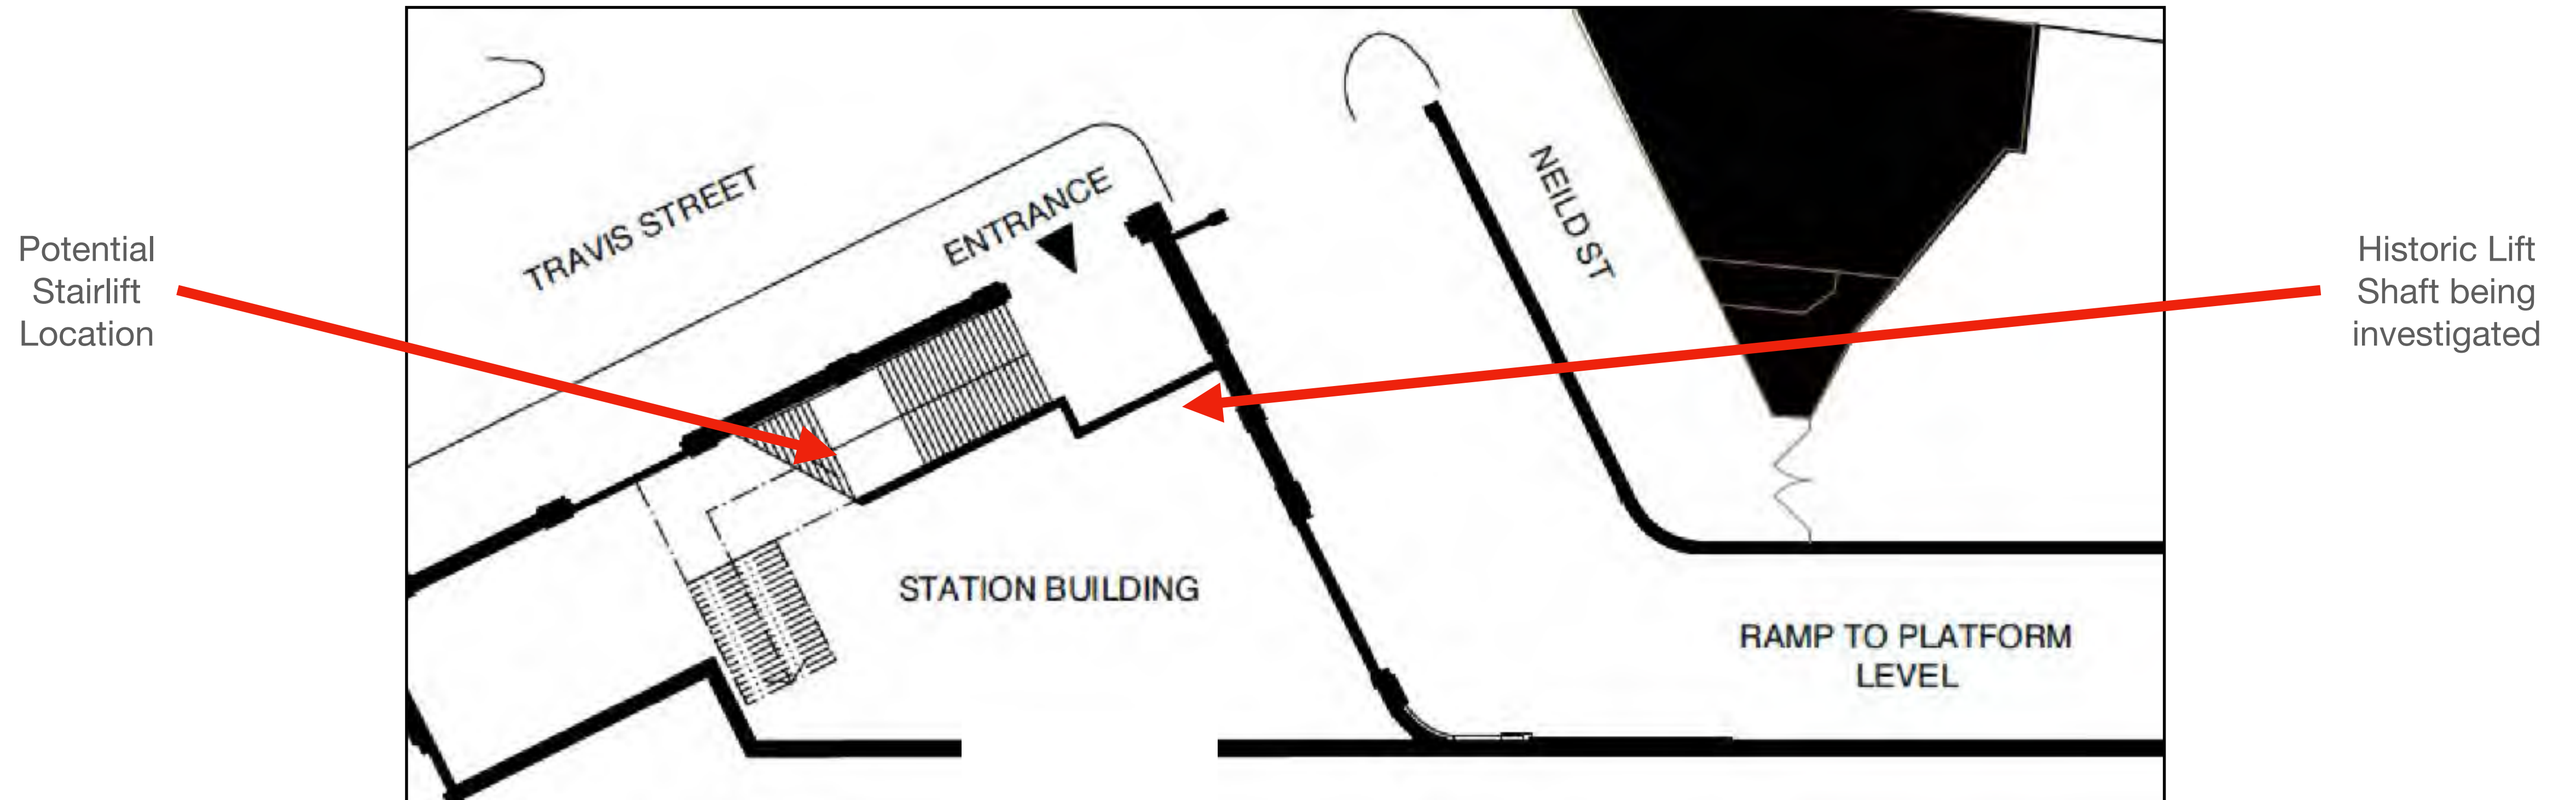

FUTURE ACCESSIBILITY

Future Accessibility

Further investigatory works being undertaken to determine the feasibility of

1. Installing a stairlift ; or
2. Installing a passenger lift within a historic lift shaft within the building
