Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The builder has already built several sky high buildings in the same area , accommodating thousands of residents, the proposed project in the limited space will again accommodate thousands of people, making the environment severely overcrowded, increasing air and sound pollution , looking out the windows, can only see buildings which are so near that residents have no privacy at all , builders are making great profits but never keep residents benefit in their concerns
