NOTES:

Repairs and reinstatement works to elevation:

Repairs to elevation as WCS Methodology Statement for Conservation Repairs. Refer to repairs drawings AR_220 - AR_225 for further details.

All redundant signage and wiring to be removed. Insensitive alarms, lights, CCTV, signs etc. which is fixed to elevation and still in use to be removed or relocated to more appropriate location (location requires approval before movement).

Any historic fabric discovered behind existing roller shutters to be retained and incorporated into scheme.

Repairs to historic shop front cornice and banding, with traditional signage reinstated.

Removal of pavement level upstand granite tiling, and repairs/reinstatement of historic timber stallrisers.

All works to be carried out by specialist contractor.
