Details of the pre-application advice received

The project was discussed via email beginning 6th July 2023 between the Applicant and Planner listed.

Due to the nature of building, there were less concerns regarding the internal layout (which has been masked out due to the sensitive nature of the building), as the application is to capture external alterations only.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
