

External Building Fabric Maintenance

We undertake all aspects of external maintenance to a building façade, glazing, tiling, timber, stone, concrete, brickwork, blockwork, render or paintwork.

Our in-house experienced tradesmen are multi-skilled and are available to get the job done competently, safely and professionally.

Our expertise is in:

- All aspects of Groundworks and Drainage
- All aspects of Paving and Hard Landscaping
- External facing Brickwork and Blockwork
- Glazing replacement and repair
- Concrete repairs and new work
- External decoration

Whatever your requirement, you will have the peace of mind that your systems are being maintained by trained professionals.

This is backed by our emergency response service which is operational 24 hours per day, 365 days per year and provides specialised back-up support within guaranteed response times to ensure restoration to normal working order as swiftly as possible.

Our business culture is centred around customer satisfaction and going above and beyond our role to exceed expectations.

EXTERNAL BUILDING FABRIC MAINTENANCE

We would recommend our External Building Fabric Maintenance Contract for your building.

If you're looking for a planned or reactive maintenance partner that is friendly, efficient and proactive – don't look any further.
