Details of the pre-application advice received

Good morning Nosheen,

Apologies for the delay in getting back to you the request had gone into my inbox when I was on annual leave.

I have had a look at your address and can see you do not have off-street parking at 12 Wordsworth Avenue so you will need to get planning application.

The type of planning application you need to submit is a Housholder Planning Application which has a fee of £328. This can be done on the Governments planning portal website (https://www.planningportal.co.uk/).

As you have a small front garden where the charger will be placed you will not need to notify highways, so it is Certificate A on the application.

The plans/drawings you will need to submit are the following:

Location Plan with a red line around entire property (Can be done on the planning portal)
Existing and proposed site layout.
Existing and proposed elevations.
Details of the materials used (the type of charger you are installing)
Further guidance on plans/drawings is attached with this email.

Please let me know if you have any other questions regarding any of the above.

Best wishes,

Jake Walther

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
