Manchester City Council are not satisfied that on 16 January 2024 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) Refuse on the basis that the proposed rear and side extension as shown on drawings (1002, 1004, 1005 and 2002 does not constitute permitted development and is not in accordance with Part 1, Schedule 2, Classes A.1 j(iii) and A.3 (a) of the Town and Country (General Permitted Development) Order 2015 (as amended), as the submitted drawings and information show that the proposed extension would have a width greater than half the width of the dwellinghouse and the proposal does not clearly demonstrate that the proposed external materials would be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.
