Part 1 – Particulars of the application/development

Proposal: Erection of a single storey front extension to form additional accommodation and associated rendering of ground floor side elevation

Location: 199A Fog Lane, Manchester, M20 6FJ

Date of application: 29 April 2024

Application number: 139353/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have attempted to work with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in accordance with both local and national policies.

Reason(s) for decision

1) The singe storey front extension by virtue of its position forward of the main building line to Fog Lane, creates an unduly intrusive and incongruous feature in the street-scene , to the detriment of visual amenity. The proposed development is therefore contrary to saved policy E3.3 of the Unitary Development Plan for the City of Manchester, policies DM1, EN1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
