Dear Julie,

**Dover Street Building (Listed as Faculty of Economic and Social Studies), Manchester, M13 9GB:
Application for Amendment to Listed Building Consent Condition 2 of 138051/LO/2023**

On behalf of our client the University of Manchester (Estates Design Services Group), please find enclosed an application to amend listed building consent 138051/LO/2023 which was approved for the installation of Wi-fi to the Dover Street Building as part of the University of Manchester Network Transformation Project.

The proposed variation to Condition 2 adds three new APs to the installation which combine to provide a comprehensive WLAN for the building and remedy gaps in provision identified since approval of 138051/LO/2023. The proposals will allow staff, students and visitors full internet access thereby ensuring the accommodation continues to meet with user expectations and securing the useability and long-term future of the listed building.

Information submitted as part of this application includes:

Cover letter 23.1883/ Idt2005jr;
