

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: LISTED BUILDING CONSENT Internal and external alterations to facilitate use of premises as a drinking establishment (Sui Generis)

Location: Lloyds House , Jacksons Row, Manchester, M2 5ND

Date of application: 20 March 2023

Application number: 134920/LO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **granted** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

In assessing the merits of an application officers will seek to work with the applicant in a positive and proactive manner to seeking solutions to problems arising in relation to dealing with the application. In this instance this has included advice about the information required to be submitted to support the application and to address issues. This has led to an acceptable proposal.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

2) The development hereby approved shall have been carried out in accordance with the following drawings and documents:

The location plan referenced 085-PL-00 received by the City Council as local planning authority on 20 March 2024

The drawings referenced:

085-PL-1.00 Rev D
085-PL-1.01 Rev D
085-PL-1.02 Rev B
085-PL-1.03 Rev A
085-PL-1.04
085-PL-2.00 Rev D
085-PL-300 Rev C
085-SO-1.01 Rev B

received by the City Council as local planning authority on 29 August 2023

The Heritage Statement prepared by Highlight Heritage received by the City Council as local planning authority on 29 August 2023

The Stannah Midilift SL/GL Platform lifts received by the City Council as local planning authority on 29 August 2023

The Schedule of Works Rev B prepared by Mors + Harte Architects received by the City Council as local planning authority on 29 August 2023

The emails from Caroline Tamworth Planning dated 29 August 2023, 31 January 2024 and 23 February 2024.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies EN1, EN3, SP1 CC9 and DM1 of the Core Strategy, saved policies DC19.1 of the Unitary Development Plan.

3) Notwithstanding the details submitted with the application, prior to the commencement of development the following shall be submitted for approval in writing by the City Council, as Local Planning Authority:

(a) Samples and specifications of all materials to be used in the works to the abutment and detailed drawings to illustrate jointing and fixing details between all component materials.

(b) A quality control management strategy.

The approved materials shall be used in the construction of the development.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy

4) Full and final details of the new partitions and the feature void, including details of the junction and affixing detail to existing fabric shall be submitted to and approved in writing by the City Council as local planning authority prior to any works to install these items. These items shall then be installed fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

5) Full and final details of the new staircases and the reinstated floor between basement and ground floor, including all finishes shall be submitted to and approved in writing by the City Council as local planning authority prior to any internal or external works taking place to the former vehicle entrance/former loading bay. The staircase shall then be installed and the floor infilled fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

6) Full and final details of the works to original/historic features, including method statement for the works and the redecoration and finishes that are informed by a paintwork analysis shall be submitted to and approved in writing by the City Council as local planning authority prior to any internal or external decoration works to any areas of the premises. The works including the decoration/redecoration shall then be carried out fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

7) Full and final details of any acoustic and fire separation works to ceilings, walls and/or floor shall be submitted to and approved in writing by the City Council as local planning authority prior to any such works being carried out to the building. The works shall then be installed fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD

and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

8) Full and final detail of all M&E services and drainage, including routes and internal manifestation that complies with the statement within the emails from Caroline Tamworth Planning dated 23 February 2024 shall be submitted to and approved in writing by the City Council as local planning authority prior to any such equipment being installed at the premises. The equipment shall then be installed fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

9) Full and final details of all internal finishes to walls, ceilings and floors to be informed by paintwork analysis shall be submitted to and approved in writing by the City Council as local planning authority prior to the commencement of any internal or external decoration works. The decoration shall then be implemented and completed fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

10) Full and final details of external lighting, CCTV equipment and any other such installations to the elevations shall be submitted to and approved in writing by the City Council as local planning authority prior to any works to the front elevation and former loading bay of the building. The grille shall then be installed fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

11) Full and final details of works to existing brickwork, including a cleaning and mortar/render samples shall be submitted to and approved in writing by the City Council as local planning authority prior to any works to the front elevation and former loading bay of the building. These works shall then be carried out fully and only in accordance with the approved details.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

12) The works to the floor of the loading bay shall be completed in accordance with the email from Caroline Tamworth Planning dated 31 January 2024 prior to the use of this area of the building as an entrance.

Reason - In the interests of visual amenity and because the proposed works affect a building that is within the curtilage of a building which is included in the Statutory List of Buildings of Special Architectural or Historic Interest so careful attention to building work is required to protect the character and appearance of this building in accordance with policies SP1, CC9, EN1, EN 3 and DM1 of the Adopted Core Strategy for the City of Manchester, the Design and Principle of the Guide to Development in Manchester SPD and saved policies DC18.1 and DC19.1 of the Unitary Development Plan for the City of Manchester.

13) All street/pavement level windows of the building on Jacksons Row, Lloyd Street and Southmill Street shall be retained as a clear glazed window opening at all times and views into the premises shall not be screened or obscured in any way.

Reason - The clear glazed window(s) is an integral and important element in design of the ground level elevations and are important in maintaining a visually interesting street scene consistent with the use of such areas by members of the public, and so as to be consistent with saved policy DC14 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

Date: 19 April 2024

Notes

1. This permission refers only to that required under the Planning (Listed Buildings and Conservation Areas) Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State in accordance with sections 20 and 21 of the Act within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
