Hough End Leisure Centre Extension

Crime Impact Statement/Secured by Design Inspection Report

- External doors meet the SBD standard.
- Internal doors were satisfactory.
- Access controls were in the process of being fitted at the main entrance.
- The reception desk overlooked the entrance and entrance lobby.
- Locks were fitted to changing room doors.
- Access controls were fitted to gym entrance doors.
- The artificial grass pitches are suitably secured with locking gates and high fencing.
- CCTV monitors appropriate, internal and external, areas of the facility.
- The building and car park are suitably illuminated.
- Additional cycle stores were in the process of being installed in well-supervised locations.
- The car park was suitably laid out and arm barriers have been installed to restrict access outside of opening hours.

Advisory

- In order to reduce the risk of theft from changing rooms whilst sports teams are playing on the grass and articial grass pitches, a policy governing the issue and return of keys to changing room doors should be developed and adopted.

In accordnace with condition 30 of the planning approval 132513/VO/2021, I am satisfied that the development has been constructed in accordance with the recommendations set out in the Crime Impact Statement version B.
