

Car Club Proposal for ILA – October 2023

Car Club Solutions

- A Car Club allows a closed group of users the opportunity to book and use vehicles from just an hour up to a preset maximum length of hire
- The vehicle can will be insured both while on hire and parked up
- Drivers need to meet certain criteria ahead of being allowed to drive

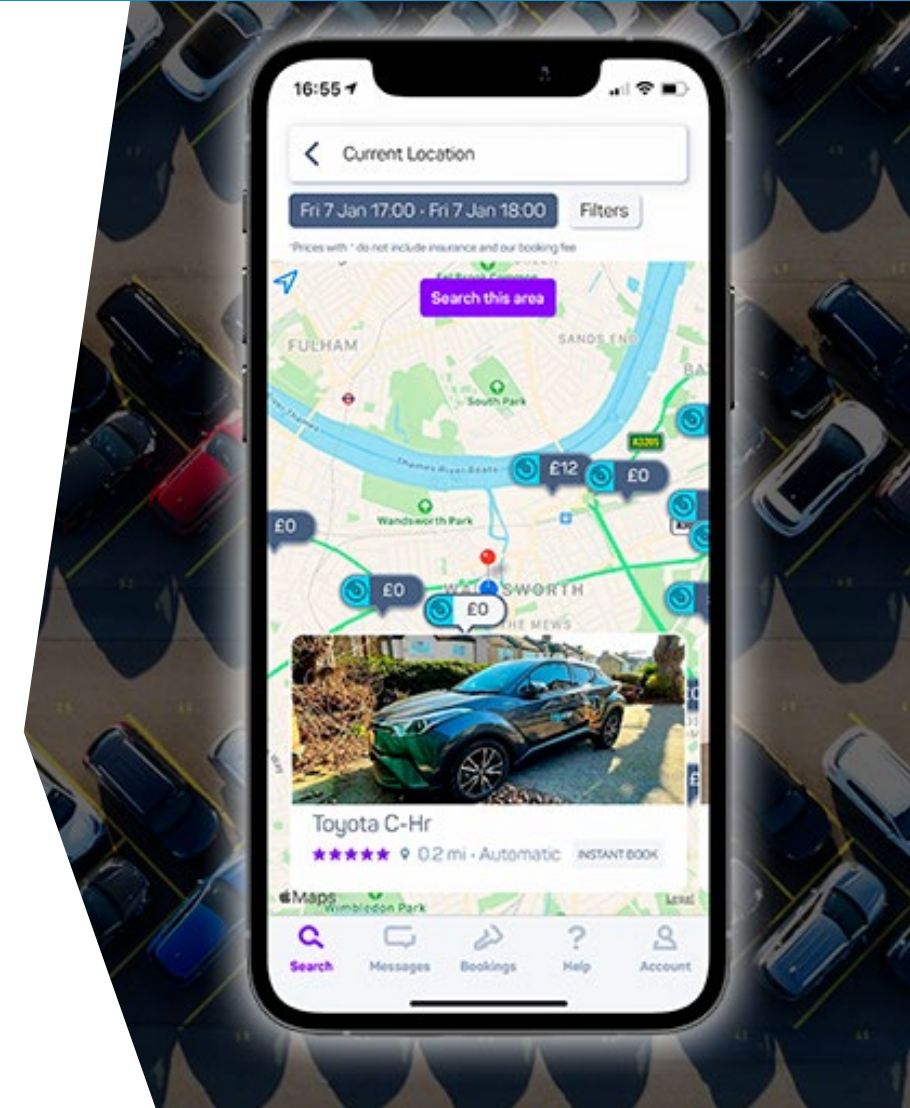

Vehicles Available

- Most Car Clubs offer small to compact vehicles
- A growing number are offering EV – this is dependent upon having a pre-determined charging bay, always available
- With EV Car Clubs, certain models are precluded due to their Insurance Group

ONWRD | Hiyacar Proposal

- ONWRD works with Hiyacar and the Open Start technology to allow secure, keyless entry to vehicles for pre-determined Drivers (your Residents)
- Drivers need to download the Hiyacar App to make bookings – this goes through a simple, but robust check on DVLA Licence Check amongst other factors

ONWRD | Hiyacar Proposal

- Vehicle Costs include:
 - Monthly Lease – *up to 10,000 miles per annum*
 - Maintenance
 - Twice Monthly Valet
 - Quarterly Safety Inspections
 - Stop Start Technology
- Set Up Costs (all plus VAT)
 - Install/De-install - £400.00
 - Deployment per Site - £500.00

Vehicle Options

- BMW i3 - £699.00 + VAT
- Kia EV6 - £885.00 + VAT
- BMW iX1 - £925.00 + VAT
- Mercedes Benz EQA - £925.00 + VAT

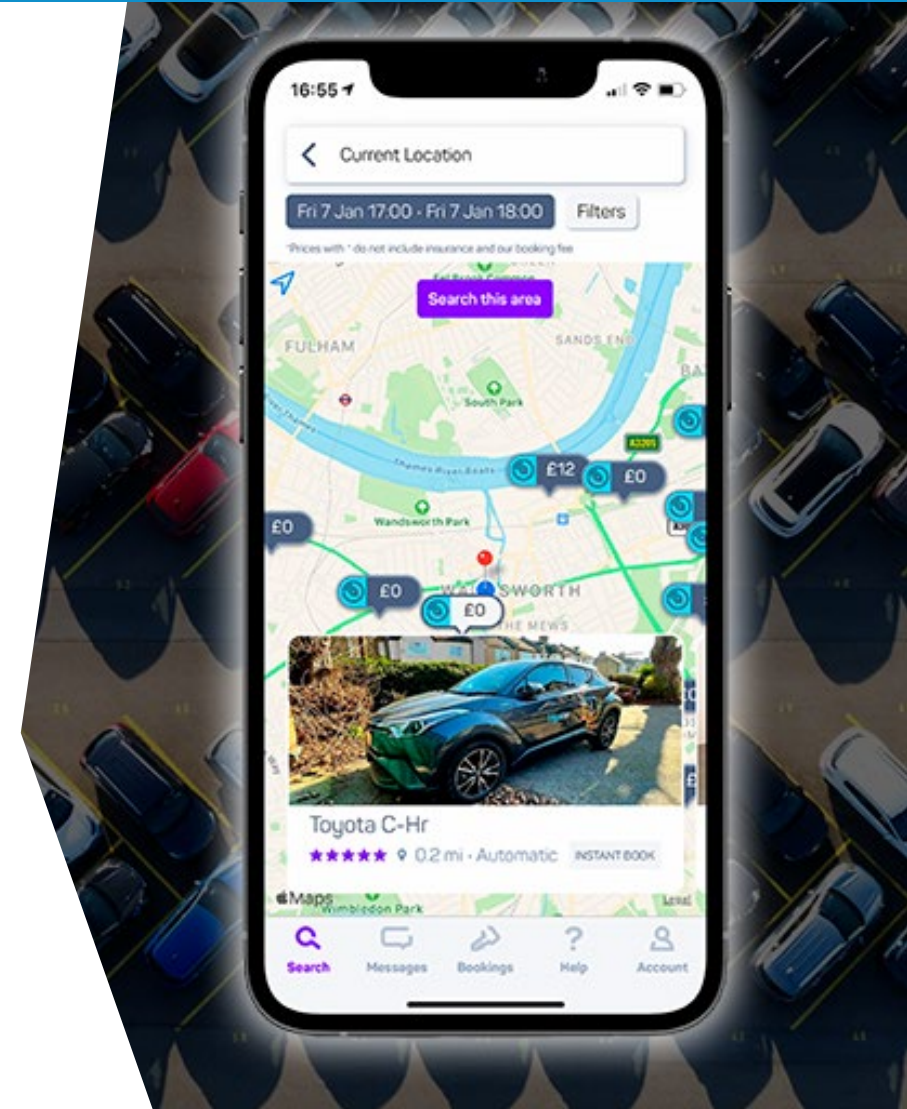

Insurance

- There are two levels of cover to factor in:
 - Off road insurance - £700.00 per annum
 - Excess of £5,000
 - In Use Insurance
 - This is applied to each driver on a per trip basis, based on their risk profile and is costed as:
 - Off Peak – Mon-Fri
 - Peak – Weekends
 - Average Rate per Hour is £4.55 / £5.55 accordingly
 - This can be passed on to your Resident or paid monthly

Deployment

- Lead Time for new Projects is 6 – 8 weeks
- Vehicles may be new or used for initial phase
- Minimum Commitment for 6 months
