John,

49 Schuster Road Manchester M14 5LX - 139900/TCA/2024

The applicant has proposed to carry out the following works:

Silver Birch tree. Plan is to undertake removal of the tree right down to the root. Once roots are treated it is planned to plant species that do not cause structural damage to the property.

I can confirm that the tree has limited visual amenity value and would not meet the criteria for TPO status. We would have no objection to the proposed removal of this tree.
