Working Safely Near Metrolink V1 Jan 24.pdf;

Michael,

Application number: 139269/FO/2024
Proposal: Elevational alterations including installation of a new shopfront.
Location: 130 - 132 Market Street, Manchester, M60 1AY,

Metrolink have no objection to this application and whilst the development proposals are unlikely to affect Metrolink operations the site is reasonably close to the Metrolink boundary and therefore we would ask the applicant to be aware of and adhere to the Working Safely near Metrolink document, attached (the web version has not yet been updated). If they have any queries regarding the content of this document as it relates to their site they should contact the Metrolink Operator and Maintainer using the details in the document.

Regards

Lynda
