Dear Sir/Madam,

Application under Section 96a of the Town & Country Planning Act 1990 (as amended) for a Non-Material change to a planning permission

Application No: 139274/NMC/2024

Description: Non-material amendment to the wording of condition 33 (Scheme for provision of affordable housing) attached to planning permission 136878/FO/2023

Location: 4B Albany Road, Manchester, M21 0AW

I refer to your application for a non-material amendment to planning permission reference 136878/FO/2023.

The proposed amendment relates to a change to the wording of condition 33 'Affordable Housing' to include the exclusions and exemptions that would be applicable to the affordable housing provided at the development.

Following an assessment of the details submitted, the City Council can confirm that the proposed amendment is considered to be of a non-material nature and acceptable to the City Council as the Local Planning Authority. The City Council is satisfied that the proposed changes are minor in nature and would not have any impact on the residential amenity of nearby properties or on the visual amenity of the wider local area and would not fundamentally alter the provision of affordable housing at the development.

Therefore I can confirm that the proposed amendments are hereby **approved**.

It should be noted that this letter of consent does not supersede the decision notice attached to planning permission 136878/FO/2023. These documents should be read in conjunction with one another. Therefore, the conditions previously applied to approval 136878/FO/2023 still apply to this development. However, due to the acceptance of the amendments outlined above, the following amended conditions also now apply:

33) Prior to the commencement of the development (excluding demolition works), a scheme for the provision of affordable housing on the site shall be submitted for approval in writing by the City Council, as Local Planning Authority. The scheme shall comprise:

- i. The type and tenure (such tenures being consistent with the definition of affordable housing in Annex 2 of the NPPF or any definition of affordable housing that replaces it) which shall consist of 100% of the dwelling houses;
- ii. Confirmation that the affordable dwellings will be made available on affordable housing terms for both first and subsequent occupiers of the affordable housing dwellings (subject to such exclusions and exemptions as may be approved by the City Council); and
- iii. The eligibility criteria to be used for determining who may occupy the affordable housing dwellings (which shall not be required to include any local connection criteria in the case of shared ownership housing).
- iv. The approved affordable housing scheme shall be implemented as part of the development and thereafter observed subject to the following exclusions and exemptions:
 1. The affordable housing scheme shall not be binding upon a mortgagee, chargee or any receiver (including an administrative receiver) appointed by such mortgagee or chargee or any other person appointed under any security documentation to enable such mortgagee or chargee to realise its security or any administrator (however appointed) including a housing administrator (each a receiver) of the whole or any part of the affordable housing or any persons or bodies deriving title through such mortgagee or chargee or receiver.
 2. The affordable housing scheme which is the subject of this condition shall cease to apply (and shall be of no further effect) to any dwelling that has been acquired by an individual owner/purchaser and/or their mortgagee OR any dwelling in respect of which a statutory or voluntary right to buy or acquire has been exercised.

Reason - To contribute to the delivery of affordable housing, pursuant to policy H8 of the Manchester Core Strategy.

Should you wish to discuss the matter further, please contact Robert Griffin using the details above.

Yours faithfully,

Julie Roscoe
