71.	Byrom Street.	
72.		

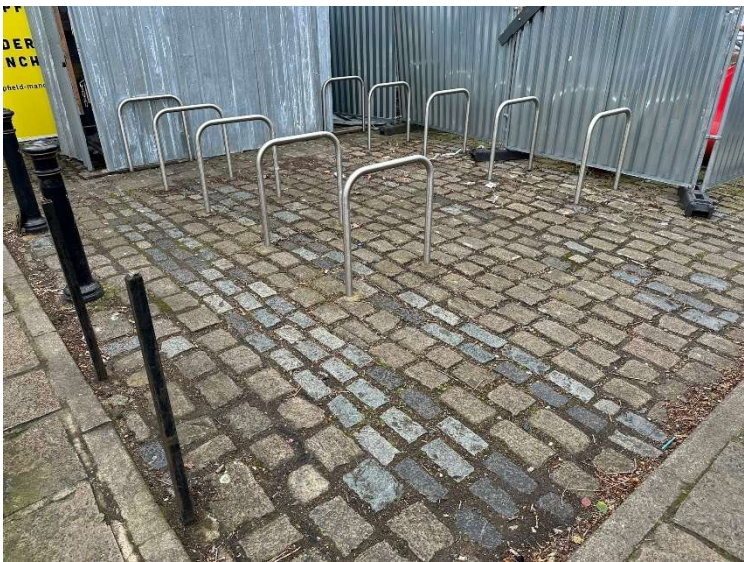

73.		 A close-up photograph of a cobblestone footway. Two parallel yellow lines are painted across the stones. Several black bollards are visible, some with yellow plastic bases. A metal barrier is partially visible on the left.
74.		 A wider photograph of the same cobblestone footway. Yellow lines and black bollards are visible. In the background, a white van with 'KIRK' on its side is parked near a building. A metal barrier and some wooden pallets are on the left.
75.		 A photograph showing the cobblestone footway with yellow lines and black bollards. A white wall or fence is in the background. A yellow plastic base is visible on the ground near the bollards.
