Hi Jack,

It looks like I just recommended the construction hours part of the condition before, happy for this part only to be put on 139383.

Kind Regards

Laura

Hi Laura,

Just wanting to check something on this one. The application seeks to supersede Planning Permission 137739/FO/2023. In that permission, there was no recommendation for a Construction Management Plan, and so we did not include such a condition.

Could you please confirm if a Construction Management Plan will definitely be a requirement on this one? As the applicant will obviously ask why we would be looking to include a CMP condition now when we did not before.

Kind Regards

Jack Naven
