Details of the pre-application advice received

Due to the existing projecting sign (amongst other elements) being unauthorised, the applicant requested a site meeting to review the business. Ami welcomed two planning colleagues (Paul and Angela) who discussed the proposal as a whole and identified that the existing projecting sign should be reduced from 100mm thick to just 30mm to comply with policy of displaying an advertisement within a Conservation Area.

Interest In the Land

Does the applicant own the land or buildings where the adverts are to be placed?

☒ Yes

☐ No

- With respect to the Authority, is the applicant and/or agent one of the following:

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
