consolidation operation or scheme for the delivery of materials and goods; o Phasing of works;
o Means by which a reduction in the number of movements and parking on nearby streets can be achieved (including measures taken to ensure satisfactory access and movement for existing occupiers of neighbouring properties during construction): Programming; Waste management; Construction methodology; Shared deliveries; Car sharing; Travel planning; Local workforce; Parking facilities for staff and visitors; On-site facilities; A scheme to encourage the use of public transport and cycling;
o Routes for construction traffic, avoiding weight and size restrictions to reduce unsuitable traffic on residential roads;
o Locations for loading/unloading, waiting/holding areas and means of communication for delivery vehicles if space is unavailable within or near the site;
o Locations for storage of plant/waste/construction materials;
o Arrangements for the turning of vehicles, to be within the site unless completely unavoidable;
o Arrangements to receive abnormal loads or unusually large vehicles;
o Swept paths showing access for the largest vehicles regularly accessing the site and measures to ensure adequate space is available;
o Any necessary temporary traffic management measures;
o Measures to protect vulnerable road users (cyclists and pedestrians);
o Arrangements for temporary facilities for any bus stops or routes;
o Method of preventing mud being carried onto the highway;
o Methods of communicating the Construction Management Plan to staff, visitors and neighbouring residents and businesses.
