MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

MANCHESTER CITY COUNCIL

Town & Country Planning Act 1990 (as amended)

Planning Permission

Applicant

Part 1 – Particulars of the application/development

Proposal: Erection of three bedroom detached house and garage

Location: 7 Colgate Crescent, Manchester, M14 6FN

Date of application: 12 March 2024

Application number: 139191/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. No significant problems have arisen during the consideration of this application and the application has been determined in a timely manner, in accordance with the policies with the Development Plan.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Act Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following documents:

-'Application for Planning Permission', stamped as received by the City Council as Local Planning Authority on the 6th February 2024.

-'Proposed Bin Store', stamped as received by the City Council as Local Planning Authority on the 6th February 2024.
-'Proposed detached dwelling: elevations and plans', stamped as received by the City Council as Local Planning Authority on the 6th February 2024.
-'Detached garage', stamped as received by the City Council as Local Planning Authority on the 6th February 2024.
-Material samples document/photographs, stamped as received by the City Council as Local Planning Authority on the 6th February 2024.
-'Planning, Design & Access Statement', stamped as received by the City Council as Local Planning Authority on the 6th February 2024.
-'Site plan showing relationship to adjoining dwellings', stamped as received by the City Council as Local Planning Authority on the 6th February 2024.
-Agent email correspondence dated to the 2nd May 2024.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) The materials to be used on the external surfaces of the development hereby permitted shall match those specified on the submitted application form and approved documents.

Reason - To ensure the appearance of the site to be developed is not adversely affected by the materials to be used in the construction of the development, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

4) Before first occupation, the proposed ground and first floor windows in the eastern side elevation of the dwellinghouse, facing No.7 Colgate Crescent, shall be obscurely glazed to a specification of no less than Level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Core Strategy.

5) a) Prior to the commencement of development, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as Local Planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as Local Planning Authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before the development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as Local Planning Authority.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as Local Planning Authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as Local Planning Authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected, and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

6) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose(s) of Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the exceptional circumstances of a proliferation of HMOs and short term lets restricting housing choice and adversely affecting sustainability and in the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community. Pursuant to the National Planning Policy Framework and policies SP1, H11, and DM1 of the Core Strategy for the City of Manchester.

7) Prior to the installation of any surface water drainage scheme at the site, details of a surface water drainage scheme for the site, based on sustainable drainage principles shall be submitted to and approved in writing by the City Council as Local Planning Authority.

The development shall be constructed and completed in accordance with the approved details.

Reason - To prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system pursuant to policies EN14 and EN17 of the Core Strategy.

8) Prior to the first use of the development hereby approved, details of an electric vehicle charging point shall be submitted to and approved in writing by the City Council as Local Planning Authority.

The approved electric vehicle charging point shall be implemented and be in place prior to the first use of the development and shall be so maintained and retained at all times thereafter.

Reason - To ensure that adequate provision is made for electric vehicle charging, pursuant to policies SP1, T1 and DM1 of the Core Strategy.

9) Prior to the first use of the development hereby approved, details of a secure and sheltered cycle store shall be submitted to and approved in writing by the City Council as Local Planning Authority.

The approved cycle store shall be implemented and be in place prior to the first use of the development and shall be so maintained and retained at all times thereafter.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Core Strategy

10) The proposed bin store, shown on approved drawings 'Proposed Bin Store' and 'Site plan showing relationship to adjoining dwellings', shall be implemented and be in place prior to the first use/occupation of the development and shall be so maintained and retained at all times thereafter.

Reason - In the interests of the appearance of the street scene, pursuant to saved policy DC1 of the Unitary Development Plan for the City of Manchester, and policy DM1 of Manchester's Core Strategy.

Informatives

Building Regulations 2010
This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements
Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:
http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

In order to discharge the surface water drainage scheme condition from this planning permission, the submitted scheme shall also include:

Finalised surface water drainage layout including all components, levels, connectivity and proposed overland flow routes for extreme events.
Progression through the drainage hierarchy shall be evidence based and supported by site investigation. Results of ground investigation carried out under Building Research Establishment Digest 365. Site investigations should be undertaken in locations and at proposed depths of the proposed infiltration devices. Proposal of the attenuation that is achieving half emptying time within 24 hours. If no ground investigations are possible or infiltration is not feasible on site, evidence of alternative surface water disposal routes (as follows) is required.
For surface water connections, evidence of agreement in principle from the relevant authority/service provider is required to ensure there is adequate spare capacity in the existing system taking future development requirements into account. An email of acceptance of proposed new connection will suffice.
Evidence that the drainage system has been designed (unless an area is designated to hold and/or convey water as part of the design) so that flooding does not occur during a 1 in 100 year rainfall event with allowance for 45% climate change in any part of a building;
Details of surface water attenuation that offers a reduction in surface water runoff rate in line with the Manchester, Trafford and Salford Strategic Flood Risk Assessment. Provide at least a 50%reducti on in brownfield runoff rate or greenfield runoff rate.
Hydraulic calculations to support the drainage proposal.
Details of how the scheme shall be maintained and managed after completion.

Should the planning application be approved, the applicant will be required to enter into a Section 278/184 agreements for the alterations to the existing highways, and for construction of the proposed vehicular access and dropped kerbs on Colgate Crescent and
will require a crossing licence/agreement. This will require the agreement with MCC's Highways Applications and Network Resilience teams via Contact Manchester (Tel. 0161 234 5004). This will be funded at the applicant's expense.

Construction/demolition works shall be confined to the following hours:

Monday - Friday: 7.30am - 6pm
Saturday: 8.30am - 2pm
Sunday / Bank holidays: No work

Reason - To safeguard the amenities of the occupiers of nearby residential and commercial properties during the construction/demolition phase, pursuant to policies SP1, EN9, EN15, and DM1 of the Manchester Core Strategy.

It is the applicant's responsibility to investigate the existence of any pipelines that might cross or impact their proposed site and also to demonstrate the exact relationship between United Utilities' assets and the proposed development.

Where United Utilities' assets exist, it is essential that the applicant, or any subsequent developer, contacts our Developer Services team prior to commencing any works on site, including trial holes, groundworks or demolition.

The applicant should be advised that all fencing / railings adjacent to the adopted highway should be visually permeable from a distance of 600mm upwards to ensure adequate visual permeability for child pedestrians.

The applicant should be advised that all gated accesses will need to provide inward opening gates to ensure they do not impact on the adopted footway or highway.

Date: 3 May 2024

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
