

Copyright of this drawing is vested in Jon Matthews Architects and it must not be copied or reproduced without written consent. All dimensions are to be taken from this drawing. Do not scale from this drawing.

All Contractors must visit the site and are responsible for taking and checking all dimensions relative to their work. Jon Matthews Architects are to be advised of any variation between drawings and site conditions.

Dimensions shall always be stated as 'read only' and should not be interpreted for measurement. All dimensions and levels should be 'read only' from those values stated in text, on the drawings.

CONTRACTOR: It is considered that the proposed works are within the scope of a competent Contractor and as such no additional checks by the Engineer are required, only to release their signature designating their involvement.

KEY:

* All dimensions to listed viaduct to be further coordinated after review of point cloud/survey & correct setting out of viaduct model!

- Revit model reference: HTM-RCG-XX-ZZ-M3-W-0001

- To be printed and read in colour.
- To be read in conjunction with all Design Consultant's drawings and reports.

----- Notional future rail expansion structure

Revision C2 Planning Update Notes:

- Introduction of the network rail 350mm service zone. Steel structure reduces in size, reducing the width of pods by a brick on either side is required. Centre line of the arches maintained.
- Introduction of Clipped CW System to the main arches
