Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use

The client is looking to refurbish the interior of the premises that includes rebranding the restaurant to appeal to a diverse range of people within the area. Works include an upgrade of the kitchen and dining facilities. The side elevation of the building will be rendered and depict artwork creating a feature wall that would attract attention from people passing.
A single storey extension would be erected to the front increasing the existing seating capacity, increasing business. Signage on the exterior would help advertise the business and ensure the premises stands out along the high street.
