Overview of colour scheme

Colours shown in these images may vary and appear slightly different than the physical samples shown on photos.

All evidence of the original paint scheme has been lost. Refer to Whiteley Hall Paint Analysis document.

The colours prior to the fire are not original however they are replicated with the exception of the red skirting which now does not match the blue seating fabric and blinds. Physical colour sampling matching onsite has been undertaken where possible (the soot has stained the paint and will not wash off).
