Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

59 Cross Street is located in Manchester. The proposed project comprises of ground floor and basement level works only. Proposals include intentions to fit out a new Zambrero restaurant in this space; some adjustments will need to be made for this. The unit is listed.

This proposal is to add new signage in place of the old, fit new customer facing surfaces (flooring, decorations, etc), install new furniture, fit a new serving area, fit out a new food preparation/kitchen area (no extraction systems proposed) and upgrade staff facilities. This will involve the erection of new stud walls and partitions; however, this does not include any structural works. We do not intend to alter any listed elements on or in this building, no significant heritage assets affected.

This application is for change of use from Class E to Sui Generis.

This application relates to the proposed shopfront vents and change of use, as advised by LPA.

This application accompanies a listed building consent application, and control of advertisements application:

- PP-12959387

- PP-12960457

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so.

[Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required.](#)

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?

- ☐ Yes
- ☒ No

Please add all the exemptions or transitional arrangements that apply and provide a reason why

Exemption:
