Dear Rob,

**Discharge of condition 4b of planning permission 131147/FO/2021**
**Manchester College, Northenden Campus, Sale Road, Northenden, M23 0DD**

Following our recent approval to discharge planning condition 4b (planning approval no. CDN/23/0815) of planning approval no. 131147/FO/2021 dated 11th January 2024.

We confirm that the existing substation has now been decommissioned and you have advised us that regardless of our recent approval, we now need to submit a new discharge of condition for the same condition, and attached is a copy of updated remediation earthworks completion report revision v3 for your approval.

We trust that this meets your approval and look forward to hearing from you in due course.

Yours faithfully,
**For and on behalf of Miller Homes Limited (NW)**
