Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.

Date of application: 12 December 2023

Application number: 138281/AO/2023

Part 2 – Particulars of decision (a)

Manchester City Council gives notice that the **following element(s)** of the development referred to in Part 1:

Has/have been **granted** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Condition(s) attached to this decision

1) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

No advertisement shall be sited or displayed so as to:
(a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
(b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or
(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.

Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

2) The 2 no. externally illuminated hanging signs hereby approved shall be carried out in accordance with the following drawings and documents:

o Location Plan (Received 10/10/2023)
o PR.00.E1 Rev B: Proposed External Elevation 1 (Received 12/12/2023)
o PR.00.E1 Rev A: Proposed External Elevation 2 (Received 25/10/2023)
o Projecting sign drawing pack Rev A (Prepared by Blaze Signs; Dated 18/12/2017; Received 10/10/2023)

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) The maximum luminance of the approved signage shall not exceed 250 cd/m2 in brightness at any time.

Reason - In the interests of visual and residential amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy and saved policies DC14.1, and E3.3 of the Unitary Development Plan for the City of Manchester.

Part 2 – Particulars of decision (b)

Manchester City Council gives notice that the **following element(s)** of the development referred to in Part 1:

Approve the installation of the following:
- 2 no. externally illuminated hanging signs

Refuse the installation of the following:
- 1 no. internally illuminated fascia sign

Has/have been **refused** in accordance with the application and plans submitted for the reason(s).

Reason(s) for decision

1) The proposed internally illuminated fascia signage by virtue of its design and appearance does not respond positively to the architecture of the building or the significance and setting of the Upper King Street (Extension) Conservation Area. The advertisement's featureless nature and cheap material finish reinforces its inappropriateness, rendering it an awkward addition within the street scene, thus being harmful to local visual amenity which is contrary to the Town and Country Planning (Control of Advertisements) Regulations 2007, policies SP1, CC9, EN1, EN3 and DM1 of the Manchester Core Strategy (2012), saved policies DC15 and DC18 of the Unitary Development Plan for the City of Manchester (1995), Places for Everyone Plan Policy JP-P2, the National Planning Policy Framework and National Planning Practice Guidance.
