Mount Road window detail 10.05.2024

30mm Standard Reveal

Kellen Homes constructs houses using modern methods of construction.
The structural wall panels consist of closed panel Timber frame of which will allow the windows to be recessed into the reveal up to a maximum of 90mm. This allows 10mm of facing masonry to accept a silicone seal. Community centre and Centrepoint apartment block to also have 90mm recessed reveal.

90mm Recessed Reveal as proposed at Mount Road
