

Key:

- Vivara Pro Build-in Woodstone Bat Box x5
- Woostone Build-in Swift Nest Box x5

Notes

Boxes of similar specification but different brand may be used.

Bat boxes should be installed onto the buildings at least 4 m above ground level, positioned facing south to south-east to allow the box to be warmed by the sun.

Swift boxes should be placed between 3 and 5 m above ground. These should be installed onto the buildings and positioned between north and east to avoid strong sunlight and high winds
