To whom it may concern,

Re: Ms Margaret Forster
DOB: 02-Mar-1955

Address: 109 Firbank Road, Newall Green, Manchester, M23 2ZN
Telephone: 01619989069
NHS No: 630 327 4137

I am writing as the general practitioner of Ms Forster to confirm that she has been under the care of the Orthopaedics team for left hip pain, which remains under investigation with a working diagnosis of osteoarthritis. She is prescribed analgesic medication to manage this pain. She tells me she particularly struggles with stairs, and as such is aiming to have adaptations to her house made to facilitate downstairs living. I would support that this decision would improve her ability to live independently.

Yours sincerely,

Dr F. Greenslade
